Comfortable Nine Grasswren 16-day birding tour III

- ✓ *Slow-paced*
- ✓ *Quality lodgings*
- ✓ *Gourmet food*
- ✓ *We'll look after you*

25 July – 10 Aug 2025, Mt Isa to Adelaide

This is a slow-paced version of our flagship Nine Grasswren tour, one of Australia's epic birding adventures. We will look for nine of Australia's 13 Grasswren species: Striated, Short-tailed, Western, Thick-billed, Eyrean, Grey, Kalkadoon, Carpentarian and Opalton Grasswren. From Mt Isa we'll follow the early spring south across vast expanses of outback scenery. We travel the length of the Birdsville track, visit the stark country around Boulia-Winton, the scenic Flinders Ranges and finish in the Mallee scrub of the Vic-SA border region. This trip is a real adventure (yet fully accommodated), taking it easy by adding an extra 3 days to the standard itinerary. Timed to travel through the heart of the outback during the early Australian spring season, a great time to go birding, we will have plenty of opportunity

during these 16 days to see over 200 species, and besides the Grasswrens we have a good chance of sought-after birds like Red-lored Whistler, Banded Whiteface, Chestnut and Cinnamon Quail-thrush, Gibberbird, Yellow Chat, Inland Dotterel, Flock Bronzewing, Spinifex Pigeon, Mallee & Rufous-crowned Emu-wren, Painted Finch and even the enigmatic Grey Falcon. Accommodation will be of the best available standard; the drives have been shortened; we'll take plenty of breaks; the food will be of the best available, and where we have to take a picnic lunch, it will be gourmet style. We have secured access to some new birding sites exclusively for this trip. The rewards will be some of Australia's most sought-after outback species, wonderful scenery and great camaraderie. Read on below to whet your appetite!

Tour starts: Mt Isa, Qld

Finishes: Adelaide, SA

Scheduled departure & return dates:

• 25 Jul – 10 Aug 2025

Price: AU\$9,899 all-inclusive (discounts available).

Leader: Peter Waanders / Michael Greenshields

Trip reports and photos of previous tours: on our website

We had a great time on the tour: Peter and Helga made it memorable in many ways! The birds, the organisation, driving, companionship, food - it was truly a 'comfortable' trip that exceeded our expectations. Jane & Chris – Australia, Comfy 9 Grasswren tour 2021

Tour details

Tour starts: Mt Isa, Qld (serviced by direct flights from Brisbane)

Finishes: Adelaide, SA.

Scheduled departure and return dates:

Tour commences with dinner on 25 July 2025. Please arrive in Mt Isa on or before 25 July. (We offer a land transfer from Alice Springs if you're doing our preceding Red Centre Adventure). Tour finishes with breakfast on 10 Aug 2025. Please depart Adelaide on or after 10 Aug. Itinerary contains further details.

Leader: TBA.

Difficulty: ~~Low~~/Medium/~~High~~/Excellent level of fitness required. This trip is slower paced than our regular Grasswren tours. Walking in uneven terrain will still be required to find the birds, but we have secured access to some new and exclusive (and easier) sites. There will be some early departures or late finishes. You can opt out of any challenging activities if you like. While we will drive up to 4000 km (including approx. 1,000 km on unsealed outback roads of varying standards) this is spread out over 16 rather than 12 days. We can't control the weather but usually July/August is fine, sunny and cool to mild in the south to warmish in the north. We may encounter a frosty morning or an unseasonal rain downpour.

What to bring: Please travel light. Binoculars, camera, mobile phone, chargers, power adaptors if you're an international guest, insect repellent, sunscreen, personal medications, sun hat, water bottle, hand sanitizer. Sturdy footwear recommended. Scopes, super-telephoto lenses with tripods, and very large heavy suitcases discouraged.

Clothing: Lightweight long pants, t-shirt and long-sleeved shirt, over the top of which you can wear layers that can be taken off as necessary, including a warm jumper and a rain-proof jacket. Neat casual attire for dinners. Be prepared for the odd cool morning but gloriously sunny days.

Group size: Minimum 4, maximum 7 participants.

Cost: AU\$9,899 per person including accommodation and all meals, based on double or twin-share occupancy. Single occupancy surcharge of \$1150. Not included: drinks, tips, personal expenses. Earlybird discount of \$99 for bookings received up to 12 months before departure date. Return-client discount may apply. Check website for T&C's.

Bookings: Online at <https://www.bellbirdtours.com/bookings> - see the last page of this brochure.

ITINERARY

Day 0: 25 July '25. Make your own way to Mt Isa (Qld), serviced by direct flights on Qantas, Virgin and Rex from Brisbane. Taxi (own cost) to hotel. Alternatively, if you're doing our preceding Red Centre Adventure, take our 2-day land transfer from Alice Springs to Mount Isa through some of the remotest outback deserts of Australia. Contact us for details. We'll all meet this evening for dinner and introductions. Accommodation: **Abacus Motel, Mt Isa** (en-suite room; meals: D).

Day 1: 26 July '25. We have a full day around Mt Isa, where we'll be searching for two Grasswren species: Kalkadoon and Carpentarian. Another drawcard here is Painted Finch which we've seen on prior visits. We'll also spend time looking for other good species of the local area, including Spinifex Pigeon, Little Woodswallow, the 'Cloncurry' race of Australian Ringneck, Spinifexbird and Grey-headed Honeyeater, Black-throated Treecreeper, Varied Lorikeet and many more. We'll also visit the sewage pond, with chance of Plumed Whistling Ducks and other waterfowl. Nearby at Lake Moondarra we have a good chance of Paperbark Flycatcher, Spotted Bowerbird, Plumed Whistling-duck, Painted Finch, Purple-necked Rock-wallaby and Freshwater Crocodile. Accommodation: **Abacus Motel, Mt Isa** (en-suite room; meals: B, L, D).

Day 2: 27 July '25. The morning will be spent birding the local area, picking up any species we still need. After a leisurely lunch we drive south, stopping for lunch at Chinaman's Dam with waterfowl apently. From here we'll bird our way to the township of Winton, Australia's dinosaur capital. Species we're likely to encounter today include Australian Pratincole, Varied Lorikeet, Australian Bustard, Budgerigar, Brown and Rufous Songlark, Horsfield's Bushlark, Brolga, Black-tailed Native-hen, Plumed Whistling-duck and maybe even Ground Cuckoo-shrike. Before the day is over, we'll check a local waterhole for Plum-headed Finch, Baillon's Crake and whatever else may be around. Accommodation: **Boulder Opal Motel, Winton** (en-suite motel room; meals: B, L, D).

Day 3: 28 July '25. Traversing the area where Night Parrot has been recorded recently, travelling on dark red gravel roads we notice more and more spinifex around us (with chances of Spinifexbird) until we arrive in the spinifex-covered plains around Lark Quarry. Here we search for Opalton Grasswren (former *rowleyi* ssp of Striated). Other species we may come across include Grey Falcon, Rufous-crowned Emu-wren, Hall's Babbler, Chestnut-breasted Quail-thrush, Spinifexbird, White-browed, Dusky and Masked Woodswallow, Spinifex Pigeon, Grey-headed and Grey-fronted Honeyeater. We'll take lunch in the Dinosaur Trackways visitor centre, situated high up on a rugged jump-up plateau with spectacular views over the surrounding plains, while Spinifex Pigeons scurry around the surrounding undergrowth. Time permitting, there is the option for people to visit the dinosaur stampede fossils here this afternoon (own cost).

Thick-billed Grasswren, Australian Pratincole, Birding, Black-breasted Buzzard, Wet outback conditions © P Waanders, Bellbird Tours

Comfortable Nine Grasswren birding tour - III, 2025

Accommodation: **Boulder Opal Motel, Winton** (en-suite motel room; meals: B, L, D).

Day 4: 29 July '25. Depending on what we've seen we'll head back into Bladensburg NP to pick up anything we've missed. We'll take a leisurely breakfast and check out the local waterhole for drinking parrots and finches, and any other key species we may have missed yesterday. We then travel on outback roads to the isolated township of Boulia, located in the heart of outback Queensland, with further chances of Chestnut-breasted Quail-thrush and along the way hopefully picking up Brolga, Australian Bustard and Inland Dotterel. Around sunset, we scout the grassy plains outside Boulia from the comfort of our vehicles for Flock Bronzewing coming in to drink. Accommodation: **Boulia Sands Motel** (ensuite motel room; meals included: B, L, D).

Day 5: 30 July '25. We bird our way to Birdsville, checking local wetlands and sand dunes for species like Budgerigar, Cockatiel, Australian Bush-lark, Brolga, Bourke's Parrot and Ground Cuckoo-shrike, while we still have a chance of Flock Bronzewing and the highlight of today would be seeing our first Letter-winged Kite. They don't breed every year so we keep our fingers crossed! We also have a good chance of Grey Falcon here. We'll have a meal at the famous Birdsville Pub tonight before retiring to our accommodation in new ensuite rooms at the **Birdsville Hotel** (private en-suite room; meals included: B, L, D).

Day 6: 31 July '25. Today we'll set off onto the famous Birdsville track. An early morning expedition to search for Grey Grasswren should see us arrive at the site shortly after sunrise. These shy and localized birds' preferred habitat consists of dry swamps with lignum shrubs and saltbushes. We also have a good chance of Cinnamon Quail-thrush, Gibberbird, Inland Dotterel and with luck, Letter-winged Kites (they don't nest each year) and Grey Falcon. Next we'll bird various sites along the track heading south: species we've encountered here include Australian Pratincole and Flock Bronzewing. We'll visit a (usually dry) swamp where we have another chance of Grey Grasswren while the constant chatter of bird calls provides a background chorus. Continuing on the Birdsville track we'll bird our way south, hoping to pick up many other good outback bird species. Some time in the afternoon we'll arrive at our final destination for the day, Mungerannie, a charming, rustic outback pub surrounded by sand dunes (where Eyrean Grasswrens live) and wetlands, often rich in waterbirds. Accommodation: **Mungerannie Pub** (basic, clean room, some ensuite, some with shared bathroom facilities; meals: B, L, D).

Day 7: 1 Aug '25. Today we'll have all day in the Mungerannie area in search of Grey Falcon, Black Falcon, Brown Songlark, Gibberbird, Orange and Crimson Chat, Budgerigar, Cockatiel, Inland Dotterel, Eyrean Grasswren, Thick-billed Grasswren, Chirruping Wedgebill, Pied Honeyeater, Diaomond Dove and Cinnamon Quail-thrush. There will be time for a break in the afternoon before we do some final birding around sunset for Grey Falcon and Banded Whiteface.

Letter-winged Kite, Flock Bronzewing, Gibberbird, Western Grasswren
 © P Waanders, Bellbird Tours

Comfortable Nine Grasswren birding tour - III, 2025

Accommodation: **Mungerannie Pub** (basic, clean room, some ensuite, some with shared bathroom facilities; meals: B, L, D).

Day 8: 2 Aug '25. We'll check for Grey Falcon at first light and may see Flock Bronzewing heading for their early morning drink. Neighbouring Cowarie Station has resident Eyrean Grasswrens in the scenic sand dunes while along the Warburton River we often come across Red-browed Pardalote and Banded Whiteface. Crimson and Orange Chats are usually present too and on the gibber-strewn plains we look for Gibberbird. After lunch at Mungerannie we continue driving the Birdsville track until we reach the township of Marree at the end of the day. Accommodation: **Marree Hotel** (a historical outback pub with modern en-suite room and facilities; meals included: B, L, D).

Day 9: 3 Aug '25. The focus of this morning is the search for Thick-billed Grasswren, which inhabits the vast bluebush plains criss-crossed by usually dry creeks. Other good species we may come across are Cinnamon Quail-thrush, Rufous Fieldwren, Zebra Finch, Budgerigar, Red-backed Kingfisher and a chance of Inland Dotterel. After a lunch break at Marree we head a short distance north to an artesian bore overflow which has created a nice wetland which usually has Brolga and a raft of waterbirds, including crakes—in amidst desert-like scenery. Most years, Black-breasted Buzzard and Little Eagle breed here. Returning to Marree across the seemingly endless giber plains, we marvel at the vastness of the landscape, the clarity of the sky while the sun sets and Inland Dotterels come out to forage (if we're lucky...!). Accommodation: **Marree Hotel** (historic outback pub with modern en-suite rooms; meals included: B, L, D).

Day 10: 4 Aug '25. Another chance of Thick-billed Grasswren this morning, and then after a leisurely breakfast we have a look at the local dam which often holds Freckled Duck, Pink-eared Duck, Black-tailed Native-hen, Australian Spotted Crake and White-backed Swallow. We'll pack up and head south, to the Flinders Ranges, an impressive range of soaring rock formations on the edge of the outback. This area of scenic beauty is home plenty of wildlife including Red, Western Grey and Euro Kangaroos. As we travel along creek-beds and through narrow gorges cut deeply into geological layers that date back 800 million years we look for Chirruping Wedgebill, Elegant Parrot, Grey fronted Honeyeater and the rare Yellow-footed Rock-wallaby. We'll stay in Port Augusta, at the crossroads of outback Australia, where some of the best food of the trip awaits us. Accommodation: **Port Augusta Standpipe Motel** (ensuite motel room; meals included: B, L, D).

Day 11: 5 Aug '25. A pre-breakfast stroll around the golf course adjacent to the motel often yields Purple-crowned Lorikeet. After breakfast we pack up and search for Western Grasswren - formerly the myall race of Thick-billed, split around 15 years ago - which inhabits Bluebush plains around Port Augusta.

Striated, Grey, Short-tailed Grasswren,
 Australian Bustard © P Waanders,
 Bellbird Tours

Comfortable Nine Grasswren birding tour - III, 2025

Other birds we are likely to come across are the turquoise race of Splendid Fairy-wren, Black-eared Cuckoo and Redthroat, as well as Blue Bonnet, Chirruping Wedgebill and Rufous Fieldwren. Later in the day we'll head into the Gawler Ranges, a little-explored rival to the Flinders Ranges, where we may be lucky to come across Mulga Parrot and Pink Cockatoo, but our main target here is the rare and localized, elusive Short-tailed Grasswren. Accommodation: **Mt Ive Station** (en-suite room, meals included: B, L, D).

Day 12: 6 Aug '25. Mt Ive Station is strategically located in a scenic valley in the Gawler Ranges, from where both Western and Short-tailed Grasswren can be observed with some perseverance. We'll visit the amazingly scenic Lake Gairdner, a vast salt lake in the outback. After lunch we head back to Port Augusta, where we will further explore the well laid-out Arid Lands Botanical Gardens where Chirruping Wedgebill, White-fronted and Elegant Parrot may be seen while Banded Stilt often occur in a nearby salt lake. Accommodation: **Port Augusta Standpipe Motel** (en-suite room; meals included: B, L, D).

Day 13: 7 Aug '25. The morning is a back-up for any other local species we may still need before we head south, looking for Slender-billed Thornbill and Adelaide Rosella along the coast. Then we head inland until we reach Australia's largest river: the Murray. Lined with gnarly old Red Gum trees, the wetlands and floodplains along the river harbor a plethora of waterbirds such as ducks, herons, cormorants, rails, cranes and these often include sought-after species: Freckled Duck, Spotless Crake and Regent Parrot would be the highlight of the day. In the afternoon we'll explore the southernmost parts of one of Australia's largest wilderness areas, over 1,000,000 ha of "mallee" eucalypt scrub of the Bookmark Biosphere - a conglomeration of nature reserves and pastoral properties. Here we have a chance of Gilbert's Whistler, Chestnut Quail-thrush, Striped Honeyeater and Purple-backed Fairy-wren. We'll stay at Berri on the banks of the Murray river. Accommodation: **Berri Resort Hotel** (en-suite room, meals included: B, L, D).

Day 14: 8 Aug '25. We'll be starting the day with our last Grasswren: the Striated, in the spinifex-mallee east of Berri, a beautiful and well-protected area of undisturbed mallee scrub. Other good birds possible in this area include Mallee Emu-wren, Southern Scrubrobin, Shy Heathwren, White-browed Tree-creeper, and if we're lucky, Regent Parrot and Pink Cockatoo. Later in the afternoon we will check the vast Bluebush plains for Redthroat, White-winged Fairy-wren and White-fronted Chat, while Little Friarbird, Blue-faced Honeyeater and Apostlebird are often found on the outskirts of town. Accommodation: **Berri Resort Hotel** (en-suite room; meals included: B, L, D).

Day 15: 9 Aug '25. We'll go for a stroll in the local area looking for Shy Heathwren, Redthroat, Striped Honeyeater, Splendid Fairy-wren, Chestnut Quail-

Spinifex Pigeon, Grey Falcon, Inland Dotterel, Red Kangaroo © P Waanders, Bellbird Tours

Comfortable Nine Grasswren birding tour - III, 2025

thrush and Brown Treecreeper and then follow the Murray River south. Criss-crossing the scenic Mt Lofty Ranges we'll see plenty of Adelaide Rosellas, Crescent, Yellow-faced, Purple-gaped & Tawny-crowned Honeyeaters as well as Scarlet Robin, White-throated Treecreeper, Striated and Yellow Thornbill and we may be lucky to see the stately Yellow-tailed Black Cockatoos. Late in the afternoon we reluctantly arrive back in Adelaide for our final dinner and bird checklist. Accommodation: **hotel in Adelaide** (en-suite room; meals included: D).

Day 16: 10 Aug '25. For those who are keen, we'll do an early morning stroll in the parklands near the hotel, for Adelaide and Eastern Rosella, Long-billed Corella and any other birds that may be present. But today has been set aside as your departure day so please book flights out of Adelaide departing any time today. We'll arrange for you to be taken to the airport (included; morning only) at any time this morning after breakfast for your flight home (own arrangement). Meals: B. TOUR ENDS

Pre- and post-tour options:

- If you are doing our preceding Red Centre Adventure and wish to take advantage of a 2-day overland transfer through some of the remotest outback landscapes in Australia, please contact us. This will involve 1 night's stay in basic private rooms in a roadhouse at the halfway point.
- If you wish to stay in Mount Isa for one or more days before the tour starts, or in Adelaide for one or more days after the tour finishes, in the same hotel that we've been using there, please tick the relevant box on the booking form. We can book this for you and add the cost to your tour price – this way you can stay in the same room.

Price inclusions and exclusions:

Included: All meals commencing with Dinner on Day 0 and finishing with Breakfast on Day 16, morning tea/coffee, some snacks, some fruit, some drinks, unlimited drinking water refills. Accommodation in private en-suite rooms, although on some nights only basic rooms with shared facilities are available. Transport using comfortable and reliable 4WD vehicle, expert guiding, any entry fees, taxes.

Excluded: Travel to & from departure and finish points, Pre- & post trip accommodation, any meals before Dinner on Day 0, any meals after breakfast on Day 16, drinks except where provided, additional activities (such as visiting the dinosaur centre), minibar, any personal expenses, tips, insurance.

Bookings: Please book online: <https://www.bellbirdtours.com/bookings> - last page of this brochure.

Reports, photos, checklists of previous tours: <http://www.bellbirdtours.com/reports/>

Disclaimers: (1) itinerary may be modified slightly due to factors such as availability of accommodation, updated information on the state of accommodation, roads, or birding sites, the discretion of the guides and other factors; (2) until we've received your final payment, tour price may be subject to adjustment in the event of significant cost increases in ground arrangements. See our [terms and conditions](#).

Steps to book this tour:

Step 1: Essential reading

- Download, save and read the itinerary (this document)
- Read our [terms and conditions](https://www.bellbirdtours.com/terms-and-conditions) and the [release of liability waiver](https://www.bellbirdtours.com/terms-and-conditions) (both can be found on <https://www.bellbirdtours.com/terms-and-conditions>).
- Read our [health & safety information](https://bellbirdtours.com/health-and-safety/) page (<https://bellbirdtours.com/health-and-safety/>)

Step 2: Online booking

Head over to our secure online booking page: <https://www.bellbirdtours.com/bookings>.

Step 3: Pay the deposit

To secure your seat, a deposit of 20% of the tour price is required at the time of booking. Full payment is due 60 days prior to the departure date. Until full payment has been received, Bellbird Tours reserves the right to change the tour price (eg due to changing fuel prices). Payment options:

☐ *Domestic electronic funds transfer:* please send funds to the following bank account:

- bank: Australia & New Zealand Bank (ANZ), 112 Rundle Mall, Adelaide SA 5000
- account name: Bellbird Tours Pty Ltd
- Branch No. (BSB) 015-140 Account No. 206136528
 - Please use your *surname* as the booking reference.

☐ *Visa, Mastercard & Google Pay:* through Pin Payments (an easy, secure online payment system). They charge us a fee of ~3%, which we pass on to you. Please contact us to use this option, and we'll email you a secure payment link.

☐ *International electronic funds transfer:* please send funds in Australian Dollars (+ bank charges or AU\$20 bank transaction fee, see notes below) to the following bank account:

- international swift code: anzbau3m (no IBAN codes are used in Australia)
- bank: Australia & New Zealand Bank (ANZ), 112 Rundle Mall, Adelaide SA 5000
- account name: Bellbird Tours Pty Ltd
- Branch No. (BSB) 015-140 Account No. 206136528
 - If possible, please use your *surname* as the booking reference.
 - If you are asked to provide our physical address, this is: 101 Chilton Road, Berri, SA 5343, Australia.
 - Please specify AU\$ as the recipient's currency, and the correct amount. Select the option for you to incur any charges at *both* ends; if no such option exists, please add AU\$20 to cover the bank fee at the recipient's end.

Any discrepancy between the amount payable and amount received will be added to the final balance, or payable in cash at the start of the tour. Prices and fees are not negotiable.

Step 4: You're done!

Sit back and wait for your booking confirmation to arrive (24-48 hrs). Meanwhile, should you have any questions, please contact us via: <https://www.bellbirdtours.com/about-us/>.
