Endemic Families Tour

13 days
17 – 30 Sep 2025

Australia is in the enviable position of having the most endemic bird families of any country in the world with a total of 8. This tour focuses on finding at least 1 species from each of those families. We'll travel from the South-West to the South-East to the stunning rainforest of Lamington National Park, spending time in a diverse range of habitats. Along with our 8 endemic families we'll also be looking for some iconic families and genus that makes Australian birding something not to be missed including Bowerbirds, Birds of Paradise, Logrunner, Australian Treecreepers, Fairywrens, Australian Robins and more. Tantalising add-on options exist.

Australia's endemic bird families and our target species on this tour:

1. Plains Wanderer: The only species in its family.
2. Lyrebirds: We'll look for both Albert's and Superb.
3. Scrubbirds: Noisy.
4. Bristlebirds: Western.
5. Pardalotes: Striated and Spotted.
6. Whipbirds: Eastern and Black-throated.
7. Mud-nesters: White-winged Cough and Apostlebird.
8. Shriketits: Eastern and Western.

We will also look for Australia's largest bird, the Emu, and many near-endemics: megapodes, Magpie Goose, Crested Bellbird, Owlet-nightjar, Whipbirds, Varied Sitella and more.

Tour starts: Perth, Western Australia

Tour finishes: Brisbane, Queensland

Price: AU\$9,999 all-inclusive (discounts available).

Leader: Michael Greenshields

Scheduled departure & return dates: 17 Sep - 30 September 2025

Tour details

Tour starts: Perth, WA and **finishes** Brisbane, QLD.

Scheduled departure and return dates:

On 17 Sep 2025 everyone will meet for dinner to commence the tour. Please arrive on or before 17 Sep. Tour finishes after lunch on 30 Sep 2025. Please depart on or after 30 Sep. Itinerary contains further details.

Leader: Michael Greenshields.

Difficulty: Low/Medium/~~High~~/Excellent level of fitness required. The tour has a relaxed pace and walks are on varying surfaces, from paved roads to sandy or rocky walking trails with some short climbs. We generally walk slowly, with lots of stops. You can opt out of any challenging walks.

What to bring: Please travel light. Binoculars, camera, mobile phone, chargers, power adaptors if you're an international guest, insect repellent, sunscreen, personal medications, sun hat, water bottle, hand sanitizer. Sturdy footwear recommended. Scopes, super-telephoto lenses with tripods, and heavy suitcases are discouraged.

Clothing: Lightweight long pants, t-shirt and long-sleeved shirt, over the top of which you can wear layers that can be taken off as necessary, including a jumper / sweater and a wind- and rain-proof jacket.

Group size: Minimum 5, maximum 8 participants.

Bookings: Online at <https://www.bellbirdtours.com/bookings/> - see the last page of this brochure.

Cost: AU\$9,999 per person including accommodation and all meals, based on double or twin-share occupancy. Single occupancy surcharge of \$1150. Not included: drinks, tips, personal expenses. Early-bird discount of \$99 for bookings received up to 12 months before departure date. Return-client discount may apply. Check our website for discounts T&C's.

ITINERARY

Pre-tour option: Our Red Centre Adventure from 10 – 15 September 2025 is designed to join seamlessly to the Endemic Families tour, visiting the iconic Australian outback locations of Kings Canyon and Uluru where you'll be treated to the famous Grasswrens, a genus that you won't find on the Endemic Families Tour including the Dusky and Rufous Grasswren. Along with Grasswren expect to see Cinnamon Quail-thrush, Crimson and Orange Chat as well as Banded Whiteface, Budgerigar, Zebra Finch, Crested Bellbird and the gorgeous pastel Bourke's Parrot. Contact us for more info or [check our website here](#).

Day 0 (17 Sep '25): For those who have just completed the pre-tour Red Centre Adventure, we will ensure you arrive in time for our welcome dinner tonight. People not joining this trip will make their own way to our hotel on 17 September in Perth, where we'll all meet this evening for dinner and introductions. Overnight **Perth** (en-suite room; meals included: D).

Day 1 (18 Sep '25): We'll do an introductory walk around Kings Park before we visit some magnificent wetlands where we can see Blue-billed and Musk Duck along with many other waterbirds and several raptors. Further afield, the Wugong Gorge is a good spot for Western Australian endemics such as Western Rosella, Red-capped Parrot, and Red-winged Fairy-wren. The Dryandra Woodlands are our destination today and we'll look for Short-billed Black Cockatoo, Blue-breasted Fairy-wren, Western Thornbill, Elegant Parrots and Purple-crowned Lorikeet. This is also a good area to observe native animals such as Numbat, Brush-tailed Bettong and Echidna. Spotlighting for these and for Bush Stone-curlew, Australian Owlet-nightjar and Tawny Frogmouth is an option for those keen to get out in the evening.

Overnight **Narrogin** (en-suite room; Meals included: B, L, D).

Day 2 (19 Sep '25): We will spend the morning exploring the Dryandra Woodlands. In addition to the species listed above we also expect to see the western race of Regent Parrot, Western Gerygone, Rufous Treecreeper, Painted Buttonquail, Western Yellow Robin, the western race of Varied Sitella and many other good species. In the afternoon we will drive to beautiful Cheynes Beach where we will have our first attempt at tracking down one or more of the 3 skulkers that live here: **Noisy Scrubbird**, **Western Bristlebird** and **Black-throated Whipbird**.

Overnight **Cheynes Beach** (en-suite cabins; Meals included: B, L, D).

Emu, Short-billed Black Cockatoo, Rufous Treecreeper, Blue-breasted Fairy-wren © P Waanders

Day 3 (20 Sep '25): We'll spend the entire day birding the south coast for the first of our endemic families, the notorious and often elusive trio of Noisy Scrubbird, Western Bristlebird and Black-throated (formerly Western) Whipbird. Noisy Scrubbird, one of Australia's rarest and most elusive species was only rediscovered in 1961. We should hear each of these species multiple times as we attempt to get views of them. This is a very scenic and photogenic landscape with moors, buttongrass plains, eucalypt covered hills and rocky outcrops. Other possible species here are Brush Bronzewing, Southern Emu-wren, Tawny-crowned Honeyeater, Rock Parrot, Stubble Quail, and Red-eared Firetail. Overnight **Cheynes Beach** (en-suite cabins; meals included: B, L, D).

Day 4 (21 Sep '25): This morning we will spend more time around Cheynes Beach continuing to look for any species that eluded us yesterday. After lunch we will begin the drive back to Perth, checking for **Emu** all the way, and stopping along the way at several good birding locations including a spot where we hope to find **Western Shriketit**, another of our endemic families. Overnight **Motel in Perth** (en-suite room; Meals included: B, L, D).

Day 5 (22 Sep '25): We will be up early to catch a flight to Melbourne. Once we land on the other side of Australia, we will have the opportunity to spend the remainder of the afternoon at a great local birding spot that also doubles as an interesting historical record of the first prefabricated timber house bought to colonial Australia from Britain. We'll aim to add Wedge-tailed Eagle, Whistling Kite, Laughing Kookaburra, Sulphur-crested Cockatoo, Eastern Rosella, Superb Fairy-wren, Rufous Whistler and another endemic family in **Striated Pardalote**. Overnight **Hotel in Melbourne** (en-suite room; Meals included: B, L, D).

Day 6 (23 Sep '25): Today we make our way to scenic Healesville. Along the way we'll be looking for Powerful Owl, Australia's largest owl. Once we arrive in Healesville we'll spend some time searching in the nearby area for species such as the melodious Bell Miner, several Thornbills including Brown, Yellow-rumped and Yellow. We should find Australia's smallest bird, the Weebill as well as the second of our Pardalotes, the Spotted Pardalote. We'll head to a fantastic short trail north of Healesville in the afternoon where we will spend time in some spectacular temperate rainforest searching for the **Superb Lyrebird** and Pilotbirds that are often seen following the Lyrebirds waiting for them to dig up a delicious morsel. If luck is on our side, we have the chance to see both Red-browed and White-throated Treecreepers as well as the equally beautiful Rose and Flame Robins. Overnight **Healesville Sanctuary Resort** (en-suite room; Meals included: B, L, D).

Regent Bowerbird, Temperate rainforest, Noisy Scrubbird, Eastern Shriketit © P Waanders

Day 7 (24 Sep '25): Today we'll do a bit of birding locally in the morning before heading to Deniliquin. We will check into our accommodation and set off again for further birding and after dark, spotlighting for **Plains-Wanderer**. The species is in a family of its own and is almost extinct. The birds are rarely seen during the day and therefore the evening will be spent searching for them using spotlights. During this evening session we may also see Australian Owlet-nightjar, Inland Dotterel, Australian Bushlark, Little Buttonquail and Stubble Quail. We should be back at our hotel by midnight.

Overnight **Motel in Deniliquin** (en-suite room; Meals included: B, L, D).

Day 8 (25 Sep '25): After our late-night adventures, we'll start not too early in the morning, birding the riverine woodlands and waterways around Deniliquin. Species targeted during the day include Superb Parrot and Black Falcon; a raft of woodland species including chance of Western Gerygone, **Eastern Shrike-tit**, Diamond Firetail and Dollarbird; waterbirds which are subject to seasonal fluctuations but may include Painted Snipe, Australian Bittern and Australian Little Bittern, as well as Spotless Crake, Painted Buttonquail, and depending on seasonal conditions Painted/ Pied/ Black Honeyeater.

Overnight **Motel in Deniliquin** (en-suite room; Meals included: B, L, D).

Day 9 (26 Sep '25): Heading south this morning back towards the coast where we will spend the day searching for **Magpie Goose**, **Emu** and if we have time on our side, we will head down along the coast searching for **Rufous Bristlebird**, Southern Emuwren, Greater Crested Tern, Pacific Gull, Red Wattlebird as well as White-eared and White-naped Honeyeater.

Overnight **Hotel in Melbourne** (en-suite room; Meals included: B, L, D).

Day 10 (27 Sep '25): With the option for some birding after breakfast we have the chance to add Cape Barren Goose, Black-fronted Dotterel, Australian Pelican, Straw-necked Ibis, and Yellow-billed Spoonbill.

We'll have lunch on the beachfront where we'll have the chance of seeing Chestnut Teal, Black Swan, Pied and Little Pied and Little Black Cormorant as well as Pied Currawong. We'll catch our flight to Brisbane mid-afternoon, touching down in Queensland just in time to get checked into our accommodation before dinner.

Overnight **Hotel in Brisbane** (en-suite room; Meals included: B, L, D).

Day 11 (28 Sep '25): The focus of this section of the tour is Lamington National Park but en-route we'll look for Noisy Friarbirds, White-cheeked, Brown, Scarlet, Yellow-faced and White-naped Honeyeaters, Rainbow

Plains Wanderer, Magpie Goose,
 Rufous Bristlebird, Laughing
 Kookaburra © P Waanders

Bee-eater, Azure and Forest Kingfishers, Kookaburras, Pale-headed Rosella, Buff-banded Rail, Red-browed Finch, Maned Duck and Yellow-tailed Black Cockatoos. After settling in at Lamington we'll go birding in the rainforest targeting specialist birds including Regent and Satin **Bowerbird**, Green Catbird, 3 species of Scrub-wren, White-throated Treecreeper, Black-faced, White-eared and Spectacled Monarchs, Eastern, Pale-yellow and Rose Robin, **Eastern Whipbird**, Rufous and Grey Fantail, **Spotted Pardalote**, Lewin's Honeyeater, Eastern Spinebill, Red-browed Finch, King Parrots, and Crimson Rosella. After dinner there will be the option to go spotlighting for Tawny and Marbled Frogmouths and Boobook Owls. Overnight **O'Reilly's Rainforest Resort, Lamington NP** (en-suite room; Meals included: B, L, D).

Day 12 (29 Sep '25): We start early and drive to the western side of the park to look for **Albert's Lyrebird**, Noisy Pitta, Wonga, Wompoo, White-headed, Brown and Top-knot Pigeons, **Paradise Riflebird**, **Logrunner**, Bassian and Russet-tailed Thrush, Golden Whistler, **Eastern Shrike-tit**, Brown Thornbill, Cicadabird and Brown Gerygone. Mammals that may be seen include Eastern Grey Kangaroo, Whip-tailed, Red-necked and Swamp Wallaby, Red-necked and Red-legged Pademelon, Koala, Platypus, Echidna, Black and Grey-headed Flying Fox, Common Ring-tailed, Short-eared and Common Brush-tailed Possums, Sugar Glider, Long-nosed and Northern Brown Bandicoot. Overnight **O'Reilly's Rainforest Resort, Lamington NP** (en-suite room; Meals incl.: B, L, D).

Day 13 (30 Sep '25): We will spend the morning doing some final birding in Lamington NP before driving back to Brisbane. Some of the species we may encounter include Logrunner, King Parrot, Green Catbird, Red-backed and Variegated Fairywren. We'll finish with a nice lunch in the Botanic Gardens Cafe before dropping you at the airport or your hotel (own arrangements; Meals included: B, L). **TOUR ENDS**

If you are joining our **Grey Falcon and Letter-winged Kite Tour**, we will make sure you catch the 15:30 flight to Mt Isa. Two of Australia's rarest raptors, plus further families: Grasswrens (Kalkadoon, Eyrean and Thick-billed), Quail-thrushes (Cinnamon), chances of Budgerigar, Cockatiel, Gibberbird, Inland Dotterel, Flock Bronzewing, Australian Pratincole, Banded Whiteface and many more rare & range-restricted outback bird species! Instant discount available. Contact us for details or [check our website](#).

Pre- and post-tour options:

Pre-Tour: Our Red Centre Adventure is designed to join seamlessly to this tour, visiting the iconic Australian outback locations of Kings Canyon and Uluru you'll be treated to the famous Grasswrens, a genus that you won't find on the Endemic Family Tour including the Dusky and Rufous **Grasswren**. Along with Grasswren expect to see Cinnamon **Quail-thrush**, Crimson and Orange Chat as well as Banded Whiteface, Budgerigar, Zebra Finch, **Crested Bellbird** and the gorgeous pastel Bourke's Parrot. This tour runs from 10 – 15 September 2025 and starts from AU\$5,799 per person (all-inclusive). Read more about it here: <https://bellbirdtours.com/red-centre-tour/>

Post-Tour: Following our Endemic Families Tour you have the option of seamlessly joining our Grey Falcon and Letter-winged Kite tour that starts in Mt Isa, a short 1.5 hour flight from Brisbane. This is a fast paced tour but with no overly strenuous walks to see all the target species. The main 2 targets for this trip include the rare and elusive **Grey Falcon** and **Letter-winged Kite**, but alongside of these 2 incredible species we will also be looking to add Black Falcon, Gibberbird, Flock Bronzewing, Cinnamon Quail-thrush, Zebra Finch, up to 8 species of parrots including Rainbow Lorikeet, Varied Lorikeet, Australian Ringneck, Blue Bonnet, Red-rumped Parrot, Cockatiel, Budgerigar and Elegant Parrot. We should see a number of finches including Long-tailed, Painted, Double-barred and Chestnut-breasted Munia. This tour runs from 30 Sep – 7 Oct 2025 and starts from AU\$5,299 per person (all inclusive). Read more about it here: <https://bellbirdtours.com/grey-falcon-tour/>

Additionally, you may want to head up to Cairns for a day's guided birding with our local guide – targeting **Yellow-breasted Boatbill** and **Southern Cassowary** (the only other member of both these species' families live in New Guinea). Contact us for details or [check our website](#).

Letter-winged Kite © P Waanders

Price inclusions and exclusions:

Included: All meals commencing with dinner on Day 0 and finishing with lunch on Day 13, morning tea/coffee, some snacks, some fruit, some drinks, unlimited drinking water refills. Accommodation in private en-suite rooms where available. Domestic flights as part of the tour (PER – MEL and MEL – BNE), transport using comfortable and reliable vehicle, expert guiding, any entry fees, taxes.

Excluded: Travel to & from departure and finish points, pre- & post trip accommodation, any meals before dinner on Day 0 and after lunch on Day 13, drinks except where provided, personal expenses, tips, insurance.

Bookings: Please book online: <https://www.bellbirdtours.com/bookings/> - see the last page of this brochure. We can also arrange your pre- and post-trip accommodation, just contact us.

Disclaimers: (1) itinerary may be modified slightly due to factors such as availability of accommodation, updated information on the state of accommodation, roads, or birding sites, the discretion of the guides and other factors; (2) until we've received your final payment, tour price may be subject to adjustment in the event of significant cost increases in ground arrangements. See our [terms and conditions](#).

Endemics and near-endemics

ENDEMIC FAMILIES: Individual species targeted on this tour in bold.

PEDIONOMIDAE (Plains-Wanderer)

- **Plains Wanderer**

MENURIDAE (Lyrebirds)

- **Superb Lyrebird**
- **Albert's Lyrebird**

ATRICHORNITHIDAE (Scrub-Birds)

- Rufous Scrub-bird
- **Noisy Scrub-bird**

DASYORNITHIDAE (Bristlebirds)

- Eastern Bristlebird
- Rufous Bristlebird
- **Western Bristlebird**

PARDALOTIDAE (Pardalotes)

- **Striated Pardalote**
- **Spotted Pardalote**
- Red-browed Pardalote
- Forty-spotted Pardalote

PSOPHODIDAE (Whipbirds)

- **Eastern Whipbird**
- White-bellied Whipbird
- **Black-throated Whipbird**

FALCUNCULIDAE (Shriketits)

- **Eastern Shriketit**
- **Western Shriketit**
- Northern Shriketit

CORCORACIDAE (Australian Mudnesters)

- **White-winged Chough**
- **Apostlebird**

**NEAR ENDEMIC FAMILIES – Species found in Australia and generally one other country.
Only Australian species named below. Targeted species on this tour in bold.**

ANSERANATIDAE (Magpie Goose) – New Guinea

- **Magpie Goose**

CASUARIIDA (Cassowaries and Emu) – New Guinea

- **Southern Cassowary**

ORTHONYCHIDAE (Logrunners) – New Guinea

- **Australian Logrunner**
- Chowchilla

PTILONORYNCHIDAE (Bowerbirds) – New Guinea and Indonesia

- **Green Catbird**
- Spotted Catbird
- Black-eared Catbird
- Tooth-billed Bowerbird
- Golden Bowerbird
- **Regent Bowerbird**
- **Satin Bowerbird**
- Western Bowerbird
- Spotted Bowerbird
- Great Bowerbird
- Fawn-breasted Bowerbird

CLIMACTERIDAE (Australian Treecreepers) – New Guinea

- **White-throated Treecreeper**
- White-browed Treecreeper
- **Red-browed Treecreeper**
- **Brown Treecreeper**
- Black-tailed Treecreeper
- **Rufous Treecreeper**

POMATOSTOMIDAE (Australian Babblers) – New Guinea

- **Grey-crowned Babbler**
- **White-browed Babbler**
- Hall's Babbler
- Chestnut-crowned Babbler

CINCLOSOMATIDAE (Jewel-babblers and Quail-thrushes) – New Guinea

- **Spotted Quail-thrush**
- Chestnut Quail-thrush
- Copperback Quail-thrush
- Chestnut-breasted Quail-thrush
- Western Quail-thrush
- Nullabor Quail-thrush
- Cinnamon Quail-thrush

MACHAERIRYNCHIDAE (Boatbills) – New Guinea

- Yellow-breasted Boatbill

CRATICIDAE (Butcherbirds and Allies) – New Guinea

- Black Butcherbird
- **Australian Magpie**
- **Grey Butcherbird**
- Silver-backed Butcherbird
- Black-backed Butcherbird
- **Pied Butcherbird**
- **Pied Currawong**
- Black Currawong
- **Grey Currawong**

Possible species list

Emu	Eastern Cattle Egret	Plains Wanderer
Australian Brush-turkey	Striated Heron	Caspian Tern
Cape Barren Goose	Nankeen Night-Heron	Lesser Crested Tern
Magpie Goose	Australian White Ibis	Crested Tern
Stubble Quail	Straw-necked Ibis	Pacific Gull
Brown Quail	Glossy Ibis	Kelp Gull
Musk Duck	Yellow-billed Spoonbill	Silver Gull
Freckled Duck	Royal Spoonbill	Red-tailed Black-Cockatoo
Black Swan	Brolga	Yellow-tailed Black-Cockatoo
Australian Shelduck Australian	Australian Bittern	Short-billed Black-Cockatoo
Wood Duck	Eastern Osprey	Long-billed Black-Cockatoo
Plumed Whistling Duck	Black-shouldered Kite	Gang Gang Cockatoo
Wandering Whistling Duck	Square-tailed Kite	Pink Cockatoo
Pink-eared Duck	Brahminy Kite	Galah
Australasian Shoveler	Whistling Kite	Little Corella
Hardhead	Black Kite	Sulphur-crested Cockatoo

Steps to book this tour:

Step 1: Essential reading

- Download, save and read the itinerary (this document)
- Read our [terms and conditions](https://www.bellbirdtours.com/terms-and-conditions) and the [release of liability waiver](https://www.bellbirdtours.com/terms-and-conditions) (both can be found on <https://www.bellbirdtours.com/terms-and-conditions>).
- Read our [health & safety information](https://bellbirdtours.com/health-and-safety/) page (<https://bellbirdtours.com/health-and-safety/>)

Step 2: Online booking

Head over to our secure online booking page: <https://www.bellbirdtours.com/bookings>.

Step 3: Pay the deposit

To secure your seat, a deposit of 20% of the tour price is required at the time of booking. Full payment is due 60 days prior to the departure date. Until full payment has been received, Bellbird Tours reserves the right to change the tour price (eg due to changing fuel prices). Payment options:

- ☐ *Domestic electronic funds transfer:* please send funds to the following bank account:
- bank: Australia & New Zealand Bank (ANZ), 112 Rundle Mall, Adelaide SA 5000
 - account name: Bellbird Tours Pty Ltd
 - Branch No. (BSB) 015-140 Account No. 206136528
 - Please use your *surname* as the booking reference.
- ☐ *Visa, Mastercard & Google Pay:* through Pin Payments (an easy, secure online payment system). They charge us a fee of ~3%, which we pass on to you. Please contact us to use this option, and we'll email you a secure payment link.
- ☐ *International electronic funds transfer:* please send funds in Australian Dollars (+ bank charges or AU\$20 bank transaction fee, see notes below) to the following bank account:
- international swift code: anzbau3m (no IBAN codes are used in Australia)
 - bank: Australia & New Zealand Bank (ANZ), 112 Rundle Mall, Adelaide SA 5000
 - account name: Bellbird Tours Pty Ltd
 - Branch No. (BSB) 015-140 Account No. 206136528
 - If possible, please use your *surname* as the booking reference.
 - If you are asked to provide our physical address, this is: 101 Chilton Road, Berri, SA 5343, Australia.
 - Please specify AU\$ as the recipient's currency, and the correct amount. Select the option for you to incur any charges at *both* ends; if no such option exists, please add AU\$20 to cover the bank fee at the recipient's end.

Any discrepancy between the amount payable and amount received will be added to the final balance, or payable in cash at the start of the tour. Prices and fees are not negotiable.

Step 4: You're done!

Sit back and wait for your booking confirmation to arrive (24-48 hrs). Meanwhile, should you have any questions, please contact us via: <https://www.bellbirdtours.com/about-us/>.
