Savannah to Tropics 8-day birding tour

24 July – 1 August 2025

This tour is designed to link our preceding *Nine Grasswren* and *Red Centre* tours, and our following *Tropical & Far-North Queensland* tour. Of course it can be taken as a stand-alone birding tour as well. We will be exploring the Gulf and Savannah country, the stark landscape around Mount Isa and the lush tropical highlands surrounding Cairns. The trip is run during the dry season, generally a great time to go birding in this region as the weather will be balmy and birds abound. During these 8 days we expect to see up to 200 species, including sought-after birds such as Purple-crowned Fairy-wren, Buff-sided Robin, up to 10 species of finch including Black-throated Finch; Great-

billed Heron, White-breasted Whistler, Red-headed Honeyeater, Mangrove Fantail, Mangrove Robin, Yellow White-eye, Mangrove Gerygone, Sandstone Shrike-thrush, Golden Bowerbird, Spinifex Pigeon and even the enigmatic Grey Falcon. Visiting Lawn Hill NP, Burketown, the Karumba mangroves, Cumberland Dam and the Atherton Tablelands, we'll explore a variety of habitats: deep red sandstone gorges and pandanus-lined creeks, mangroves, coastal mudflats, endless grassy plains, open woodlands and lush tropical forests. There's even the option to take a cruise to the famous sea-bird colonies on the Great Barrier Reef. This tour has it all – enquire now!

Tour starts: Mt Isa, Qld **Finishes:** Cairns, Qld

Scheduled departure & return dates:

• 24 July – 1 August 2025

Price: AU\$5,499 all-inclusive (discounts available).

Leader: Tim Dolby / TBA

Trip reports and photos of previous tours:

Savannah to Tropics 8-day birding tour 2025

Tour starts: Mount Isa, Qld & **Finishes:** Cairns, Qld

Scheduled departure and return dates:

Tour commences with dinner on 24 July 2025. Please arrive in Mt Isa on or before 24 July. Tour finishes with breakfast on 1 August 2025. Please depart on or after 1 August. Itinerary contains further details.

Leader: Tim Dolby / TBA

Difficulty: Low/Medium/~~High~~/Excellent level of fitness required. The tour has a relaxed to moderate pace and walks are on varying surfaces, from paved roads to sandy or rocky walking trails with some short climbs. We generally walk slowly, with lots of stops. You can opt out of any challenging walks. The tour contains some long drives on (at times corrugated) gravel roads. You can opt out of any challenging activities if you like.

What to bring: Please travel light. Binoculars, camera, mobile phone, chargers, if you're an international guest, insect repellent, sunscreen, personal medications, sun hat, water bottle, hand sanitizer. Sturdy footwear recommended. Scopes, super-telephoto lenses with tripods, and heavy suitcases discouraged.

Clothing: Lightweight long pants, t-shirt and long-sleeved shirt, over the top of which you can wear layers that can be taken off as necessary, including a warm jumper and a rain-proof jacket. Neat casual attire for dinners. Be prepared for balmy weather and gloriously sunny days.

Group size: Minimum 4, maximum 8 participants.

Cost: AU\$5,499 per person including accommodation and all meals, based on double or twin-share occupancy. Single occupancy surcharge of \$800. Not included: drinks, tips, personal expenses. Earlybird discount of \$99 for bookings received up to 12 months before departure date. Return-client discount may apply. Check our website for discounts T&C's.

Bookings: Online at <http://www.bellbirdtours.com/bookings> - see the last page of this brochure.

Savannah to Tropics 8-day birding tour 2025

This tour links seamlessly with our preceding Comfortable Nine Grasswren (Adelaide to Mt Isa) tour, our preceding Red Centre Adventure, and with our following Tropical and Far North Queensland (Cairns to Cairns) tour. Link one or more tours and receive an immediate return-client discount!

ITINERARY

Day 0: 24 July '25. Make your own way to Mount Isa and take a taxi from the airport (own arrangements) to our hotel (included) for dinner and introductions. *Linking tours include our Comfy 9 Grasswren tour #1 (arriving in Mt Isa on 24 July) and our Red Centre tour #1 (with an add-on land transfer) also arriving in Mt Isa on 24 July. Check our website for details of these tours and the associated immediate return-client discount.* Accommodation: **Outback or Abacus Motel, Mount Isa** (private en-suite rooms; meals included: D).

Day 1: 25 July '25. After breakfast we visit Lake Moondarra, an impressive reservoir on the Leichhardt River, with a wide selection of water and shorebirds, and a great collection of land species surrounding the lake. Wandering and Plumed Whistling-Duck, Green Pygmy-Goose, Comb-crested Jacana, Glossy Ibis are usually seen, whereas the surrounding areas hold Long-tailed, Zebra, Painted and Double-barred Finch, Diamond and Bar-shouldered Dove. Freshwater Crocodile and Purple-necked Rock-wallaby are possible here too. Later in the morning we set off to Lawn Hill. The spectacular Boodjamulla (Lawn Hill) National Park adjoins the Queensland-Northern Territory border; we'll make our base at Adels Grove caravan park situated on Lawn Hill Creek adjacent to the park. Spotlighting tonight could produce Boobook and Barking Owls and perhaps Spotted Nightjar. Accommodation: **Adels Grove, Lawn Hill** (en-suite cabins in scenic caravan park with birds in the creekside gardens). Meals: B, L, D.

Day 2: 26 July '25. We have all day to explore Lawn Hill NP. Starting at the Lawn Hill creek, Buff-sided Robin is usually awaiting us here! Also around here are Northern Rosella, Varied and Red-collared Lorikeet, Red-winged Parrot, Great Bowerbird and Silver-crowned Friarbird. But the real highlight will be birding along the deep blood-red gorge near the beautiful Indarri Falls. Along the creek we look for one of the main targets: the delicately colored Purple-crowned Fairy-wren. Other birds along here include White-bellied Sea-Eagle, Azure Kingfisher, Blue-winged Kookaburra, Olive-backed Oriole, Paperbark Flycatcher, Northern Fantail and Crimson Finch. Little Friarbird, White-bellied Cuckoo-shrike, Variegated and Red-backed Fairy-wren are also possible today, while in the rocky escarpments at Lawn Hill we look for Sandstone Shrike-thrush and Little Woodswallow. Flowering plants attract honeyeaters such as White-gaped, Yellow-tinted, Grey-headed, Grey-fronted, Brown, Black-chinned, White-throated, and Rufous-throated. And there's always the chance of the elusive Grey Falcon! Accommodation: **Adels Grove, Lawn Hill** (en-suite cabins in scenic caravan park with birds in the Creekside gardens). Meals: B, L, D.

Long-tailed Finch, Australian Pratincole, Sandstone Shrike-thrush, Birding, Broad-billed Flycatcher

Savannah to Tropics 8-day birding tour 2025

Day 3: 27 July '25. In the morning we'll explore Lawn Hill some more, before packing up and departing late morning to head to Burketown. In the tropical woodland we have chances of Varied Lorieet, Spinifex Pigeon and Long-tailed and Painted Finch while on the Mitchell grass floodplains we have, in some years, seen Flock Bronzewing and more often, Australian Bustard. Arriving in Burketown, time permitting we start birding the Gregory River. Accommodation: **Savanah Lodge, Burketown** (private en-suite cabins set amongst lush tropical bird-rich gardens). Meals: B, L, D.

Day 4: 28 July '25. An exciting morning as we bird the Gregory River. Lined with pandanus, this picturesque river is one of Australia's few reliable spots for Mangrove Golden Whistler and also a good back-up spot for Purple-crowned Fairy-wren. Other species we should come across include Mangrove Robin, Crimson and Masked Finches, Golden-backed and Bar-breasted honeyeater. Late morning we depart and travel east to Karumba. Birds we may encounter along the way include the nomadic, unpredictable Pictorella Mannikin. Some years there are large flocks of this cute bird while other years they are nowhere to be found. We'll keep our eyes on the sky for raptors such as Black-breasted Buzzard and Square-tailed Kite. Accommodation: **Holiday Units, Karumba Point** (private en-suite rooms) Meals: B, L, D.

Day 5: 29 July '25. All day Karumba area. Our accommodation is within a stone's throw of the beach and mangroves. A great list of species is possible today. This morning we'll bird the Karumba mangroves by boat, looking for mangrove specialities such as Great-billed Heron, White-breasted Whistler, Mangrove Gerygone, Red-headed Honeyeater, Mangrove Fantail, Mangrove Robin and Yellow White-eye. While checking the mudflats for waders we'll no doubt see Eastern Osprey and Brahminy Kite. The afternoon is spent birding the Karumba area to pick up species such as Brolga, Sarus Crane, Black-necked Stork and Australian Pratincole, together with many bush birds and a choice of raptors. Red-tailed Black Cockatoos come in to drink on the golf course. Sunset from the pub at Karumba is spectacular, and so is the birding, because the mudflats are directly in front of the pub, it's possible to do some serious wader-watching while having a quiet beer. Accommodation: **Holiday Units, Karumba Point** (private en-suite rooms) Meals: B, L, D.

Day 6: 30 July '20. Karumba to Georgetown. We'll pick up any species still needed in the Karumba area before heading east, seeing more Sarus Cranes and Brolgas along the way, as well as Australian Bustard and birds of prey such as Black-breasted Buzzard, Spotted Harrier, Wedge-tailed Eagle and Brown, Black and Peregrine Falcon. Closer to Georgetown we bird the dry tropical woodlands and a couple of dams surrounding the town which are usually a good area for finches: Pictorella and Chestnut-breasted Mannikin, Zebra, Masked and Double-barred Finch and the rare Black-throated Finch is hot on the target list here. Other birds include Yellow, Banded and Rufous-throated Honeyeater, Diamond dove, Red-browed Pardalote and Brown Treecreeper

Purple-crowned Fairy-wren, Flock Bronze-wing, Pale-headed Rosella

Savannah to Tropics 8-day birding tour 2025

('Black Treecreeper' *melanota* ssp), Black-breasted Buzzard, Australian Bustard, Squatter Pigeon, Dollarbird, Red-winged Parrot, Pale-headed Rosella. O/N: **Motel in Georgetown** (private en-suite rooms). Meals: B, L, D.

Day 7: 31 July '25. Georgetown to Cairns. First thing in the morning we'll find ourselves at Cumberland Dam, located near a former gold town town. One of Australia's top birding sites, an amazing 171 species of bird have been recorded here in a relatively small area. Honeyeaters include Yellow-tinted, Rufous-throated, Brown, Yellow, Banded, and Blue-faced Honeyeater. Up to six species of finches can be found here: Zebra, Double-barred, Black-throated, Masked and Plum-headed Finch and Chestnut-breasted Mannikin. Of waterbirds, there are plenty: Green Pygmy-Goose, Magpie Goose, Hard-head, Grey Teal, Pink-eared, Pacific Black and Australian Wood Duck, Intermediate and Great Egret, White-faced and White-necked Heron, Australasian Grebe, Little Black and Little Pied Cormorant, Australasian Darter, Australian Pelican, Black-winged Stilt, Red-kneed and Black-fronted Dotterel and Comb-crested Jacana. Rarer waterbirds recorded here include Cotton Pygmy-Goose, Freckled Duck, Black Bittern and Australian Painted Snipe, so we'll keep our eyes open for those too. Then there is a great variety of woodland species: Squatter Pigeon, Diamond and Peaceful Dove, Brown ('Black') Treecreeper, Red-backed Fairy-wren, White-throated Gerygone, Black-faced Woodswallow, Paperbark Flycatcher, Apostlebird, White-bellied Cuckoo-shrike and Australasian Bushlark while woodland parrots include Pale-headed Rosella, Red-winged Parrot, Cockatiel, Budgerigar, Red-tailed Black-Cockatoo, Varied Lorieet and raptors such as Whistling and Black Kite, Nankeen Kestrel, Collared Sparrowhawk, Australian Hobby, Brown and Black Falcon....

We leave the Mitchell Grass plains behind and head into the tropical woodlands of the western slopes of the Great Dividing Range. On the last stretch of our trip into Cairns we'll be traversing the Atherton Tablelands where we'll give you a little 'teaser' of our next tour: we'll look for gems such as Cassowary, Golden Bowerbird, Spotted Catbird, Pale Yellow Robin, Atherton Scrubwren, Mountain Thornbill, Victoria's Riflebird, Bower's Shrike-thrush, Grey-headed Robin and Macleay's and Bridled honeyeaters. But to really do this area justice you'll need to join our Tropical & Far North Queensland tour starting tomorrow. Accommodation: **Bay Village Tropical Retreat, Cairns** (private en-suite rooms). Meals: B, L, D.

Day 8: 1 Aug '25. Today has been set aside as your departure day so please book flights out of Cairns departing any time today. Or take the optional cruise to the *seabird colonies of Michaelmas Cay* on the Great Barrier Reef! (see next page). Tour ends. (meals: B). Or, why not continue birding with us in Tropical and Far North Queensland?

This tour links seamlessly with our Tropical and Far-North Queensland tour, see below.

Black-throated Finch, Squatter Pigeon, Black-breasted Buzzard, Australian Bustard

Savannah to Tropics 8-day birding tour 2025

Post-tour options:

Commencing 1 August 2024, we'll be running our popular Drive-up/Fly-back 8-day **Tropical & Far-North Queensland tour** from Cairns. We'll visit the Atherton Tablelands, Daintree Rainforest, Lakefield and Iron Range NP and other good tropical Queensland birding sites. You'll be eligible to receive an immediate return-client discount on the cheaper of the two tours. We'll look for mouth-watering species such as Magnificent Riflebird, Frill-necked Monarch, Blue-faced Parrot-finch, Lovely Fairy-wren, White-streaked Honeyeater, Papuan Frogmouth, nesting Red Goshawk, Palm Cockatoo, Eclectus Parrot, Yellow-bellied Kingfisher and many more, including of course the rare Southern Cassowary. We'll have rare access to Golden-shouldered Parrot nesting sites; explore Lakefield National Park; we'll go night spotting for owls and mammals; and we'll spend two days in Iron Range National Park, one of Australia's most important ecosystems. We'll also look for mammals such as Bandicoot, Sugar Glider, Northern Striped Possum, Red-necked Wallaby and Tree Kangaroo. Don't wait, please contact us!

You can link the Savannah to Tropics tour seamlessly with our Tropical & Far-North Queensland tour, and receive an immediate return-client discount on the cheaper of the 2 tours (no other discounts apply).

If you want something to do on the 1st August we can book you into a cruise on a large catamaran to the **seabird colonies of Michaelmas Cay** on the Great Barrier Reef! One of the most important seabird nesting islands, 38 species of bird have been recorded, with nine of those using the island for nesting purposes. An impressive 20,000+ birds use the island at the peak of the breeding season, including Common and Black Noddy, Sooty Tern, Bridled Tern, Lesser Crested Tern, Black-naped Tern, Lesser Frigatebird, Great Frigatebird, White-tailed Tropicbird, and possibility of Masked and Red-footed Booby, and Wandering Tattler. Some magnificent coral reefs also surround Michaelmas Cay, so it is recommended that even very keen birdwatchers also devote some time to snorkelling! The trip is with SeaStar Cruises and departs the marina at 7:30am. Includes snorkeling gear, morning and afternoon tea, lunch. Cost is around AU\$275 per person for the day.

If you wish to **stay on in Cairns** for one or more days after the tour finishes, in the same hotel that we've been using there, please tick the relevant box on the booking form. We can book this for you and add the cost to your tour price – this way you can stay in the same room and don't have to check out on the last day.

Price inclusions and exclusions:

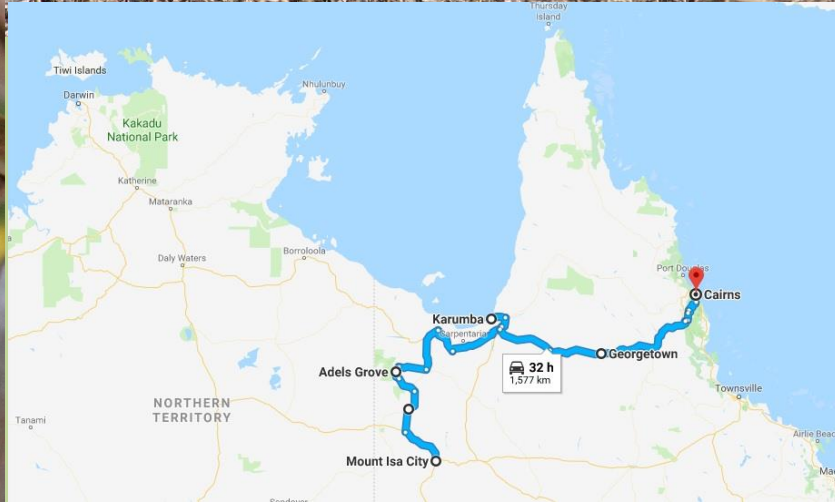

Included: All meals commencing with Dinner on Day 0 and finishing with Breakfast on Day 8, morning tea/coffee, some snacks, some fruit, some drinks, unlimited drinking water refills. Accommodation in private ensuite rooms, although on some nights only basic rooms with shared facilities are available. Transport using comfortable and reliable vehicle, expert guiding, any entry fees, taxes.

Excluded: Travel to & from departure and finish points, Pre- & post trip accommodation, any meals before Dinner on Day 0, any meals after breakfast on Day 8, drinks except where provided, personal expenses, tips, insurance.

Bookings: Please book online: <http://www.bellbirdtours.com/bookings> - see the last page of this brochure.

Disclaimers: (1) itinerary may be modified slightly due to factors such as availability of accommodation, updated information on the state of accommodation, roads, or birding sites, the discretion of the guides and other factors; (2) until we've received your final payment, tour price may be subject to adjustment in the event of significant cost increases in ground arrangements. See our [terms and conditions](#).

Steps to book this tour:

Step 1: Essential reading

- Download, save and read the itinerary (this document)
- Read our [terms and conditions](https://www.bellbirdtours.com/terms-and-conditions) and the [release of liability waiver](https://www.bellbirdtours.com/terms-and-conditions) (both can be found on <https://www.bellbirdtours.com/terms-and-conditions>).
- Read our [health & safety information](https://bellbirdtours.com/health-and-safety/) page (<https://bellbirdtours.com/health-and-safety/>)

Step 2: Online booking

Head over to our secure online booking page: <https://www.bellbirdtours.com/bookings>.

Step 3: Pay the deposit

To secure your seat, a deposit of 20% of the tour price is required at the time of booking. Full payment is due 60 days prior to the departure date. Until full payment has been received, Bellbird Tours reserves the right to change the tour price (eg due to changing fuel prices). Payment options:

☐ *Domestic electronic funds transfer:* please send funds to the following bank account:

- bank: Australia & New Zealand Bank (ANZ), 112 Rundle Mall, Adelaide SA 5000
- account name: Bellbird Tours Pty Ltd
- Branch No. (BSB) 015-140 Account No. 206136528
 - Please use your *surname* as the booking reference.

☐ *Visa, Mastercard & Google Pay:* through Pin Payments (an easy, secure online payment system). They charge us a fee of ~3%, which we pass on to you. Please contact us to use this option, and we'll email you a secure payment link.

☐ *International electronic funds transfer:* please send funds in Australian Dollars (+ bank charges or AU\$20 bank transaction fee, see notes below) to the following bank account:

- international swift code: anzbau3m (no IBAN codes are used in Australia)
- bank: Australia & New Zealand Bank (ANZ), 112 Rundle Mall, Adelaide SA 5000
- account name: Bellbird Tours Pty Ltd
- Branch No. (BSB) 015-140 Account No. 206136528
 - If possible, please use your *surname* as the booking reference.
 - If you are asked to provide our physical address, this is: 101 Chilton Road, Berri, SA 5343, Australia.
 - Please specify AU\$ as the recipient's currency, and the correct amount. Select the option for you to incur any charges at *both* ends; if no such option exists, please add AU\$20 to cover the bank fee at the recipient's end.

Any discrepancy between the amount payable and amount received will be added to the final balance, or payable in cash at the start of the tour. Prices and fees are not negotiable.

Step 4: You're done!

Sit back and wait for your booking confirmation to arrive (24-48 hrs). Meanwhile, should you have any questions, please contact us via: <https://www.bellbirdtours.com/about-us/>.
