Tropical & Far North Queensland 8 day birding tour

31 Jul-8 Aug 2025

Drive in – fly out

Tropical Far North Queensland is without doubt one of Australia's top birding destinations. A variety of tropical habitats including rainforests, palm-fringed beaches, mangrove-lined mudflats, savannahs and cool mountain ranges result in a bird diversity unparalleled elsewhere in the country. Commencing in Cairns, we'll bird the local area and head to well-known Chambers Wildlife Lodge on the Atherton Tablelands, then traverse the unique Cape York Peninsula. During this tour we aim to find all Tropical Far North Queensland specialties. Expect over 200 species including all the endemics and other important birds this area is well-known for such as Magnificent Riflebird, Frill-

necked Monarch, Blue-faced Parrot-finch, Lovely Fairy-wren, White-streaked Honeyeater, Papuan Frogmouth, nesting Red Goshawks, Palm Cockatoo, Eclectus Parrot, Yellow-bellied Kingfisher and many more, including of course the rare Southern Cassowary. We'll have rare access to Golden-shouldered Parrot nesting sites; explore the Lakefield region; we'll go night spotting for owls and mammals; and we'll spend two days in the Iron Range rainforests, one of Australia's most important ecosystems. We'll also look for mammals such as Bandicoot, Sugar Glider, Northern Striped Possum, Red-necked Wallaby and Tree Kangaroo. Read on below for the full itinerary and checklist!

Tour starts and ends: Cairns, Qld

Scheduled departure date(s):

- 31 July - 8 August 2025
- Any time as a **private tour** (subject to availability)

Price: AU\$5,699 all-inclusive (discounts available)

Leader: Tim Dolby and/or local guide

Trip reports and photos of previous tours:

Tropical & Far North Queensland birding tour 2025 - I

Tour details

Tour starts & finishes: Cairns, Qld.

Scheduled departure and return dates:

Tour commences in Cairns on Day 0: 31 July 2025. Please arrive in Cairns on or before 31 July. Tour finishes with flight from Lockhart River back to Cairns on Day 8: 8 August. Please depart Cairns on or after 8 August. Please note, the flight from Lockhart River back to Cairns is not included in the tour price, but will cost approximately AU\$660. We will book this for you at group rates and add to your bill. See itinerary below containing further details.

Leader: Tim Dolby and/or local guide.

Difficulty: Low/Medium/~~High~~/Excellent level of fitness required. The tour has a relaxed pace and walks are on varying surfaces, from paved roads to sandy or rocky walking trails with some short climbs. We generally walk slowly, with lots of stops. You can opt out of any challenging walks. The tour contains some long drives on (at times corrugated) gravel roads.

What to bring: Please travel light. Binoculars, camera, mobile phone, chargers, power converter if you're an international guest, insect repellent, sunscreen, personal medications, sun hat, water bottle, hand sanitizer. Sturdy footwear recommended. Scopes, super-telephoto lenses with tripods, and heavy suitcases discouraged. For Iron Range-Cairns flight total luggage allowance 20kg max. plus max. 7 kg carry-on.

Clothing: Lightweight long pants, t-shirt and long-sleeved shirt, over the top of which you can wear layers that can be taken off as necessary, including a warm jumper/sweater and a light rain-proof jacket. Neat casual attire for dinners.

Group size: Minimum 4, maximum 8 participants.

Cost: AU\$5,699 per person including accommodation and all meals, based on double or twin-share occupancy. Single occupancy surcharge of \$880. Not included: flight Iron Range-Cairns, drinks, tips, personal expenses. Earlybird discount of \$99 for bookings received up to 12 months before departure date. Return-client discount may apply.

Bookings: Online at <https://www.bellbirdtours.com/bookings/> - see the last page of this brochure.

ITINERARY

Tropical & Far North Queensland birding tour 2025 - I

Day 0: 31 July '25. Arrive in Cairns. If you're not on our linking *Savannah to Tropics: Mt Isa to Cairns tour*, please make your own way to Cairns and to our hotel (included) where we will meet for dinner & introductions. Accommodation: **Bay Village Tropical Retreat, Cairns** (en-suite rooms; meals: D).

Day 1: 1 Aug '25. Cairns to Atherton Tablelands. The tropical habitats surrounding Cairns contain some of Australia's richest bird- and wildlife. We'll start the day with a visit to the foreshore with coastal mudflats and mangroves to look for Shining Flycatcher, Mangrove Robin, Large-billed Gerygone, Collared Kingfisher, Striated Heron, Varied Honeyeater and Olive-backed Sunbird. We should also see Rainbow and Scaly-breasted Lorikeet, Pied Imperial-Pigeon, Australian Swiftlet, Spangled Drongo and Figbird. One of the main targets of the day will be the endangered Southern Cassowary. This large, flightless, dinosaur-like creature can be surprisingly elusive! While looking for it, we should also encounter Black-faced Monarch, Graceful- and Yellow-spotted Honeyeater, Green Pygmy Goose, White-browed Crake and more. We will then head into the hinterland of Cairns: the Atherton Tablelands, where we may see Brolga and Sarus Crane. After a delightful days' birding we will arrive at the Chambers Wildlife Rainforest Lodge, hidden in lush, tropical highland rainforest in the beautiful waterfalls and crater lakes district. The lodge has resident Platypus, Brush Turkey mounds, and Tooth-billed Bowerbird bowers as well as a good chance to view Victoria's Riflebird. After dinner we'll look for mammals such as Sugar Gliders, Striped Possums and Bandicoots. Accommodation: **Chambers Wildlife Lodge, Yungaburra** (en-suite rooms; meals: B, L, D).

Day 2: 2 Aug '25. Atherton Tablelands. We'll visit the spectacular Curtain Fig Tree, where there are regular sightings of Double-eyed Fig-Parrot, Wompoo Fruit-Dove, Spotted Catbird, White-throated Treecreeper, Lewin's and Macleay's Honeyeater, Large-billed Scrub-wren, Mountain Thornbill, Brown Gerygone, Eastern Whipbird, Little and Bower's Shrike-thrush, Black-faced, Spectacled and Pied Monarch, Yellow-breasted Boatbill, Pale-yellow and Grey-headed Robin and Metallic Starling. We then head to wonderful Mount Hypipamee. Around the main carpark and picnic area, there is a chance of Golden Bowerbird, particularly in fruiting trees, as well as Southern Cassowary, Tooth-billed Bowerbird, Spotted Catbird, Lewin's and Bridled Honeyeater and the rainforest specialists: Fernwren, Emerald Dove, Chowchilla, Atherton and Yellow-throated Scrub-wren, Mountain Thornbill, Brown Gerygone and Pale-yellow Robin. Other birds we are likely to encounter include Australian Brush Turkey, Orange-footed Scrubfowl, Superb and Wompoo Fruit-dove, Double-eyed Fig Parrot, Figbird, Black Butcherbird, Green Oriole and Noisy Pitta, amongst others. Later in the afternoon we bird the tropical gardens and streamside forests in the vicinity of the Chambers Wildlife Lodge which is set in lush tropical surroundings

Tropical & Far North Queensland birding tour 2025 - I

and caters exclusively to naturalists and birdwatchers. It is a tremendous birding area, and also the perfect base for birding the wider district. After dark we will do some spotlighting for Tree Kangaroo, owls and nightjars. Accommodation: **Chambers Wildlife Lodge, Yungaburra** (en-suite rooms; meals: B, L, D).

Day 3: 3 Aug '25. Atherton Tablelands to Mossman. We spend the morning birding and photographing the wonderful grounds of the lodge and its surrounding areas of farmland, creeks, woodland and rainforest which offers an array of tropical bird species. Within the lodge grounds we may see Victoria's Riflebird and Spotted Catbird on the feeders, and Wompoo and Superb Fruit Dove, Scaly-breasted Lorikeet, Topknot Pigeon, Emerald Dove, Tooth-billed Bowerbird, Atherton Scrubwren, White-throated Treecreeper, Macleay's and Bridled Honeyeater, Yellow-breasted Boatbill, Spectacled and Black-faced Monarchs are all resident. At night, we may also find Sooty Owl, and mammals such as Long-nosed Bandicoot, Sugar Glider, Northern Striped Possum and Red-necked Wallaby. We should see the impressive bowers of Golden Bowerbird. In the afternoon we'll bird our way towards the Daintree area in preparation for our Daintree river boat trip tomorrow. Accommodation: **Demi View Motel, Mossman** (en-suite rooms; meals: B, L, D).

Day 4: 4 Aug '25. Daintree River to Musgrave. This morning we take the "Daintree Eco Cruise" which should be a highlight of the trip, to see Estuarine Crocodile and birds including Papuan Frogmouth, Azure and Little Kingfisher, Great-billed Heron, Radjah Shelduck, Double-eyed Fig-parrot, Large-billed Gerygone and a good chance of Great-billed Heron. Birding the areas around Daintree rainforest we'll be looking for Shining Flycatcher, Bar-shouldered Dove, Pacific Koel, Scaly-breasted Lorikeet, Hornbill Friarbird and Dusky Honeyeater. Following a visit to Mt Lewis targeting the elusive Fernwren and Blue-faced Parrotfinch, we turn north, to commence our trek up the Cape York Peninsula. The Peninsula Development road traverses a range of habitats. Late afternoon birding in the Lakefield region we'll look for Black-backed Butcherbird, Star Finch, Black-throated Finch, Bar-breasted and Rufous-throated Honeyeater. We'll stay out for dusk, having a good chance to pick up some great night birds including, with luck, Grass Owl. Accommodation: **Musgrave Roadhouse** (en-suite rooms; meals: B, L, D).

Day 5: 5 Aug '25. Musgrave to Iron Range. We depart early to go birding in the northern sections of the Lakefield region, searching for two major targets: the beautiful and very restricted Golden-shouldered Parrot and the rare Red Goshawk. Both species will take some time to track down.

White-faced Robin © P Waanders,
Eclectus Parrot © Geoff Jones,
Cassowary, MacLeay's Honeyeater ©
P Waanders

Tropical & Far North Queensland birding tour 2025 - I

Other good birds we'll come across include Rufous-throated and Rufous-banded Honeyeater, Star Finch, Black-breasted Buzzard and Black-necked Stork. After lunch we drive the Peninsula Development road through Coen to the rainforests of Iron Range, where we'll arrive at the end of the day. Accommodation: **The Greenhouse** (mostly en-suite rooms, meals included: B, L, D.)

Days 6 & 7: 6 & 7 Aug '25. Iron Range. We'll spend two full days in the rainforests of the Iron Range, one of Australia's premier and unique ecosystems. From tall forest to heath to coastal bush, Iron range has a diversity of habitat and a range of wildlife found nowhere else on the planet.

We target gems such as Marbled Frogmouth, Large-tailed Nightjar, Yellow-bellied Kingfisher, Red-cheeked Parrot, Brown Booby, a variety of Terns, Black-eared Catbird, Fawn-breasted Bowerbird, Green-backed Honeyeater, Grey Whistler, Northern Scrubrobin, Magnificent Riflebird, Trumpet Manucode, Tawny-breasted and White-streaked Honeyeater, White-eared and Frill-necked Monarch, Trumpet Manucode, Lemon-bellied & Yellow-legged Flycatcher, White-faced Robin, Lovely Fairywren and the highly sought-after Palm Cockatoo and Eclectus Parrot and many more. At some stage we head to the other side of the Iron Range and adjacent coasts, around the scenic settlement of Portland Roads. Here we'll search for Spotted Whistling-duck, Tropical Scrubwren, Double-eyed Fig-Parrot, Mangrove Robin, Eclectus Parrot, Frill-necked Monarch, Tooth-billed & Fawn-breasted Bowerbird, Green-backed and Varied Honeyeaters plus any birds we may have missed earlier. We'll spend two full days exploring this magnificent region and will check the roads and forest at night for Common Spotted Cuscus and other nocturnal mammals before returning to our accommodation. Accommodation: **The Greenhouse** (mostly en-suite rooms; meals included: B, L, D).

Day 8: 8 Aug '25. Iron Range to Cairns. A final morning birding the rainforests of Iron Range picking up any species still needed and no doubt seeing more of the species we've seen on previous days. Then it's time to say goodbye to your guide who will drop you at Lockhart River airport for your flight back to Cairns (not included in price; approx. AU\$600; we will book at group rates and add to your bill). Tour ends (meals included: B, L).

(Please liaise with us re. flight times before booking onward travel out of Cairns)

Disclaimers: (1) itinerary may be modified slightly due to factors such as availability of accommodation, updated information on the state of accommodation, roads, or birding sites, the discretion of the guides and other factors; (2) until we've received your final payment, tour price may be subject to adjustment in the event of significant cost increases in ground arrangements. See our [terms and conditions](#).

Tropical & Far North Queensland birding tour 2025 - I

Price inclusions and exclusions:

Included: All meals commencing with Dinner on Day 0 and finishing with lunch on Day 8, some snacks, unlimited drinking water refills. Accommodation in private en-suite rooms, transport using comfortable and reliable 4WD vehicle, expert guiding, any entry fees, taxes.

Excluded: Flights to Cairns from Lockhart River, travel to and from Cairns, pre- & post trip accommodation, dinner and accommodation on Day 8, drinks except where provided, personal expenses, minibar purchases, tips, insurance, anything not specifically included.

Pre-tour options:

This tour links seamlessly with our preceding Queensland Savannah to Tropics tour: Mt Isa (24 July) to Cairns (31 July), contact us for details. You'll receive an instant discount!

If you wish to **stay in Cairns** for one or more days before or after the tour, in the same hotel that we've been using there, please tick the relevant box on the booking form. We can book this for you and add the cost to your tour price – this way you can stay in the same room and don't have to check out or move rooms. And why not visit the **seabird breeding colonies** on Michaelmas Cay on the Great Barrier Reef? A day trip on a large catamaran from Cairns, also great optional snorkeling available while you're there. We can also book this for you and add the cost to your tour price.

Bookings: Please book online: <https://www.bellbirdtours.com/bookings> - see the last page of this brochure.

Steps to book this tour:

Step 1: Essential reading

- Download, save and read the itinerary (this document)
- Read our [terms and conditions](https://www.bellbirdtours.com/terms-and-conditions) and the [release of liability waiver](https://www.bellbirdtours.com/terms-and-conditions) (both can be found on <https://www.bellbirdtours.com/terms-and-conditions>).
- Read our [health & safety information](https://bellbirdtours.com/health-and-safety/) page (<https://bellbirdtours.com/health-and-safety/>)

Step 2: Online booking

Head over to our secure online booking page: <https://www.bellbirdtours.com/bookings>.

Step 3: Pay the deposit

To secure your seat, a deposit of 20% of the tour price is required at the time of booking. Full payment is due 60 days prior to the departure date. Until full payment has been received, Bellbird Tours reserves the right to change the tour price (eg due to changing fuel prices). Payment options:

☐ *Domestic electronic funds transfer:* please send funds to the following bank account:

- bank: Australia & New Zealand Bank (ANZ), 112 Rundle Mall, Adelaide SA 5000
- account name: Bellbird Tours Pty Ltd
- Branch No. (BSB) 015-140 Account No. 206136528
 - Please use your *surname* as the booking reference.

☐ *Visa, Mastercard & Google Pay:* through Pin Payments (an easy, secure online payment system). They charge us a fee of ~3%, which we pass on to you. Please contact us to use this option, and we'll email you a secure payment link.

☐ *International electronic funds transfer:* please send funds in Australian Dollars (+ bank charges or AU\$20 bank transaction fee, see notes below) to the following bank account:

- international swift code: anzbau3m (no IBAN codes are used in Australia)
- bank: Australia & New Zealand Bank (ANZ), 112 Rundle Mall, Adelaide SA 5000
- account name: Bellbird Tours Pty Ltd
- Branch No. (BSB) 015-140 Account No. 206136528
 - If possible, please use your *surname* as the booking reference.
 - If you are asked to provide our physical address, this is: 101 Chilton Road, Berri, SA 5343, Australia.
 - Please specify AU\$ as the recipient's currency, and the correct amount. Select the option for you to incur any charges at *both* ends; if no such option exists, please add AU\$20 to cover the bank fee at the recipient's end.

Any discrepancy between the amount payable and amount received will be added to the final balance, or payable in cash at the start of the tour. Prices and fees are not negotiable.

Step 4: You're done!

Sit back and wait for your booking confirmation to arrive (24-48 hrs). Meanwhile, should you have any questions, please contact us via: <https://www.bellbirdtours.com/about-us/>.
