Great Southern Tour

14 days

2 - 17 Nov 2025

This exciting tour specifically concentrates on the many specialties of the southern regions of Australia, parts of the outback and the great inland rivers. An optional extension to Tasmania is available. During the main tour we are likely to find over 250 species and experience an amazing variety of landscapes and habitats, including outback mountains and deserts, vast expanses of eucalypt scrubland at Birds Australia's Gluepot Reserve, wetlands and rivers including Australia's greatest river, the Murray, spectacular coastal areas including the famous Great Ocean Road and tall, dense eucalypt forests. The trip includes some of Australia's hardest to find, yet most

sought-after species, including grasswrens, Plains-wanderer, Superb Lyrebird, Satin Bowerbird, whistlers, quail-thrushes, many parrots including Regent and Superb, 4 species of Fairy-wren, many raptors and waterbirds, Malleefowl and much, much more. This tour strikes a perfect balance between maximising the species count and the number of days on the road plus the option to continue on to Tasmania or join the pre-tour extension to Kangaroo Island. Mammals also won't be forgotten with Koala, Wombat, 5 spp of macropod including the endangered Yellow-footed Rock-wallaby, Echidna and other species possible. Join us on this annual tour which is now in its 15th season!

Tour starts: Adelaide, South Australia

Tour finishes: Melbourne, Victoria

Scheduled departure & return dates:

• 2 - 17 November 2025

We offer a pre-tour Kangaroo Island extension, and a post-tour Tasmania extension. Receive an instant return-client discount on your second tour. Please read on for further details.

Tour details

Tour starts: Adelaide, SA and **finishes** Melbourne, Vic.

Scheduled departure and return dates:

Tour commences with an optional 4-day pre-tour excursion to Kangaroo Island. On 2 Nov 2025 everyone will meet for dinner to commence the Great Southern tour. Please arrive on or before 2 Nov. Tour finishes with breakfast on 17 Nov 2025. Please depart on or after 17 Nov. Itinerary contains further details.

Leader: Peter Waanders and local guide.

Difficulty: Low/Medium/High/Excellent level of fitness required. The tour has a relaxed pace and walks are on varying surfaces, from paved roads to sandy or rocky walking trails with some short climbs. We generally walk slowly, with lots of stops. You can opt out of any challenging walks.

What to bring: Please travel light. Binoculars, camera, mobile phone, chargers, power adaptors if you're an international guest, insect repellent, sunscreen, personal medications, sun hat, water bottle, hand sanitizer. Sturdy footwear recommended. Scopes, super-telephoto lenses with tripods, and heavy suitcases are discouraged.

Clothing: Lightweight long pants, t-shirt and long-sleeved shirt, over the top of which you can wear layers that can be taken off as necessary, including a jumper / sweater and a wind- and rain-proof jacket.

Group size: Minimum 4, maximum 9 participants.

Bookings: Online at <https://www.bellbirdtours.com/bookings/> - see the last page of this brochure.

Cost: AU\$8,899 per person including accommodation and all meals, based on double or twin-share occupancy. Single occupancy surcharge of \$1250. Not included: drinks, tips, personal expenses. Early-bird discount of \$99 for bookings received up to 12 months before departure date. Return-client discount may apply. Check our website for discounts T&C's.

ITINERARY

Day 0 (2 Nov '25): From 30 October - 2 November 2025, we offer an optional pre-tour excursion to Kangaroo Island. Just off the Adelaide coast, the large island harbours a unique, diverse wildlife, specialised birds, striking scenery and vast wilderness. Key birds include the endangered Glossy Black Cockatoo, colonies of Fairy Penguin, Hooded Plover, Cape Barren Goose, the elusive Western Whipbird and the cute Fairy Penguin as well as many sea and land birds. Cost of this 4-day trip is AU\$3199 per person (all-inclusive). See: www.bellbirdtours.com/kangaroo-island/. People not joining this trip will make their own way to our hotel on 2 November in Adelaide, where we'll all meet this evening for dinner and introductions. Overnight **Adelaide** (en-suite hotel room; meals included: D).

Day 1 (3 Nov '25): We'll follow the coast north, looking for coastal birds, the Adelaide race of Crimson Rosella and the localised Slender-billed Thornbill. In the bush around Mt Remarkable we should see our first Australian Ringneck, various Honeyeater species and possibly Horsfield's Bronze-cuckoo. At Port Augusta we visit the scenic Arid Lands Botanical Gardens with its White-winged Fairy-wrens, Zebra Finches and Chirruping Wedgebills, as well as many species of Honeyeater. A nearby coastal lake often has Banded Stilt. We'll travel past the Flinders Ranges and check a site for Rufous Fieldwren. Our final destination, the hamlet of Lyndhurst, is located on the edge of the vast outback. The local hotel is nothing more than a typical outback pub with basic facilities but lots of character. Overnight **Lyndhurst Hotel** (en-suite, cabins; Meals included: B, L, D).

Day 2 (4 Nov '25): Around Lyndhurst, on the edge of the Strzelecki desert, every year is different as seasonal conditions dictate what species are around in this harsh outback environment. We bird for species such as Cinnamon Quail-thrush, Inland Dotterel, Chirruping Wedgebill and Rufous Fieldwren. With much luck and perseverance we may see the elusive Thick-billed Grasswren here. We'll explore the endless open stony plains of the Strzelecki desert which are traversed by dry watercourses. Expect species such as Budgerigar, Red-backed Kingfisher, Crimson, Orange and Gibber Chat. We'll have a picnic lunch at a waterhole, then bird our way back to Lyndhurst, looking for Inland Dotterel and Black-breasted Buzzard. Overnight **Lyndhurst Hotel** (en-suite cabins; Meals included: B, L, D).

Day 3 (5 Nov '25): Today we travel south past the scenic Gammon Ranges to check a lake for Orange Chats on the shore and many waterbirds (chance of Blue-billed and Freckled Ducks). Once we enter the Flinders Ranges, an impressive range of steep hills and soaring rock formations on the edge of Australia's outback, the landscape changes dramatically. Here we proceed along creekbeds and through narrow gorges cut deeply into geological layers that date back 800 million years, while searching for Elegant Parrot and Grey-fronted Honeyeater. We visit the fossil site of the Ediacaran fauna, which lived a little before the great explosion of multicellular life at the beginning of the Cambrian Period. We're also likely to encounter the endangered Yellow-footed Rock-wallaby. We will certainly

Malleefowl, Birding, Crimson Chat, Western Grasswren

see plenty of Red, Western Grey and Euro Kangaroos. We'll retire to our luxurious base at Wilpena Pound resort for dinner and a spotlighting walk that may yield Tawny Frogmouth, Australian Owlet-nightjar or Southern Boobook. Overnight **Wilpena Pound Resort** (en-suite motel room; meals included: B, L, D).

Day 4 (6 Nov '25): Early mornings in the outback can get a bit chilly as we check rocky outcrops for Southern Scrubrobin, Black-eared Cuckoo, Red-capped & Hooded Robin and Inland Thornbill. We then leave the picturesque Flinders Ranges and drive south, through the historic copper mining township of Burra, and search Bluebush plains for Redthroat, Brown & Rufous Songlark and White-winged Fairywren. Later in the day we reach Australia's largest river: the Murray, where we check the wetlands for crakes, rails and waterbirds including Pink-eared and with luck, the rare Freckled Duck. Overnight **Berri Resort Hotel** (en-suite hotel room; Meals included: B, L, D).

Day 5 (7 Nov '25): We depart early in the morning for a drive of about an hour to one of the many 'mallee' wilderness reserves which includes Murray Sunset National Park, Birdlife Australia's Gluepot, Calperum Station and others, arriving around sunrise. While the sun rises over centuries-old mallee eucalypts and sand dunes covered in spinifex grass, we look for Red-lored Whistler, Western Whistler, Hooded Robin, Southern Scrubrobin, Mallee Emuwren, Striated Grasswren, Shy Heathwren and White-browed Treecreeper. As the bird activity slows down, so do we, and focus on species such as Purple-backed & Splendid Fairywren, Mulga Parrot and Striped Honeyeater. Depending on conditions we may also find White-winged Triller, Pied Honeyeater and Crimson Chat. We leave the reserve late afternoon to return to our accommodation around dusk. Overnight **Berri Resort Hotel** (en-suite hotel room; Meals included: B, L, D).

Day 6 (8 Nov '25): The morning is spent in the Murray River National Park with its vast tracts of the unique River Red Gum forests. Flowering eucalypts produce an abundance of nectar for honeyeaters and parrots. Focus of the morning is the endangered Regent Parrot: we'll visit a colony of these beautiful birds while other species we aim to find include Yellow Rosella, Restless Flycatcher, crakes and rails and Nankeen Night-heron. Another target for this morning, should we haven't seen it yet, is the subtly beautiful ground-dwelling Chestnut Quail-thrush. After lunch we head east, checking various sites along the way (with a chance of up to 5 species of raptors), to the township of Ouyen. Overnight **Ouyen Hilltop Motel** (en-suite motel room; Meals included: B, L, D).

Day 7 (9 Nov '25): Today we head off early to arrive at Hattah-Kulkyne National Park with its vast expanses of Mallee (eucalypt) scrubland with Spinifex (porcupine) grass in time to search for the endangered Mallee Emu-wren. These elusive yet beautiful birds will take some time to track down, but in the process we stand a good chance of coming across Pink Cockatoo and more Regent Parrots. In the afternoon we travel to Deniliquin; after checking into our rooms

Mallee Emu-wren, Superb Lyrebird, Banded Stilt, Southern Scrub-robin, Plains Wanderer (c) P Waanders

we'll set off again for further birding and after dark, spotlighting for Plains-Wanderer. The species, in a family of its own, is almost extinct. The birds are rarely seen during the day and therefore the evening will be spent searching for them using spotlights. During this session we may also see Inland Dotterel, Horsfield's Bushlark, Barn Owl and Stubble Quail. Overnight **Deniliquin Motel** (en-suite motel room; Meals included: B, L, D).

Day 8 (10 Nov '25): After our late-night adventures, we'll start not too early in the morning, birding the riverine woodlands and waterways around Deniliquin. Species targeted during the day include Superb Parrot and Black Falcon; a raft of woodland species including chance of Western Gerygone, Buff-rumped Thornbill, Crested Shrike-tit, White-throated Treecreeper, Diamond Firetail, Grey-crowned Babbler and Gilbert's Whistler; waterbirds which are subject to seasonal fluctuations but may include Wandering Whistling-duck, White-necked Heron, Australian and Spotless Crake, and depending on seasonal conditions White-fronted/Painted/Pied/Black Honeyeaters. Overnight **Deniliquin Motel** (en-suite motel room; Meals included: B, L, D).

Day 9 (11 Nov '25): Australian Bittern and Australian Little Bittern are the targets for this morning, although we'll most likely hear them, seeing them will be difficult. Afterwards we drive east and visit various woodland sites along the way, with further chances of birds like Eastern Spinebill, Diamond Firetail, Speckled Warbler, Black-chinned, Fuscous & Yellow-tufted Honeyeater, Flame, Scarlet & Eastern Yellow Robins, White-bellied Cuckoo-shrike, Pallid Cuckoo, Little & Musk Lorikeets, Dollarbird, Satin Flycatcher, etc, before reaching the woodlands of Chiltern, home to an amazing variety of new birds, right outside our rooms. Overnight **Lydoun Motel, Chiltern** (en-suite motel room; Meals included: B, L, D).

Day 10 (12 Nov '25): We'll spend most of the day exploring the woodlands of Chiltern NP, home to the endangered Turquoise Parrot, Speckled Warbler, Yellow-tufted Honeyeater, Eastern Yellow Robin, Crested Shrike-tit, Painted Honeyeater, Diamond Firetail and many more. In the afternoon we head south for a couple of hours' drive to Healesville, scenically located in the Yarra Ranges east of Melbourne. We'll make a couple of short walks looking for Bassian Thrush, Rufous Fantail, Red-browed Treecreeper and Gang-gang Cockatoo. Overnight **Sanctuary Resort, Healesville** (en-suite hotel room; Meals included: B, L, D).

Day 11 (13 Nov '25): We spend most of the day birding the moist hill forests around Healesville, containing the tallest flowering trees in the world, with an understory of tree ferns. Here we hope to pick up Superb

Red-fored Whistler, Regent Parrot, Pink Cockatoo, Superb Lyrebird © P Waanders

Lyrebird, Pilotbird, Red-browed & White-throated Treecreepers, Large-billed & White-browed Scrub-wrens, Eastern Whipbird, Rufous Fantail, Satin Flycatcher, Golden Whistler, Lewin's Honeyeater, Pied Currawong, Brush Cuckoo, Brown & Striated Thornbill and Silvereye. In the evening, we'll do a bout of spotlighting with chances of Southern Boobook, Tawny Frogmouth, Sooty Owl and White-throated Nightjar. Overnight **Sanctuary Resort, Healesville** (en-suite hotel room; Meals included: B, L, D).

Day 12 (14 Nov '25): A backup morning for anything we still need in the fabulous hill forests surrounding Healesville. We'll then drive for a couple of hours to the town of Geelong, gateway to our destination for the next morning: the Western Treatment Plant. Pulling into the You Yang Ranges, a series of hills covered in dry woodland, we'll look for Spotted Pardalote, Red-capped Robin, Yellow-rumped and Chestnut-rumped Thornbill, Jacky Winter, Little Bronze-cuckoo and woodswallows. Overnight **Parkwood Motel, Geelong** (en-suite motel room; Meals included: B, L, D).

Day 13 (15 Nov '25): We'll head to Avalon Beach and the adjacent Western Treatment Plant, one of Australia's premier waterbird sites, looking for Sharp-tailed Sandpiper, Red-necked Stint, Black-tailed Godwit, Red Knot, Red-capped Plover, Hoary-headed Grebe, Australasian Gannet, Pied, Little Pied, Great & Little Black Cormorants, White-winged Black-Tern, Fairy Tern, Pink-eared, Blue-billed and Musk Duck, Australian Shelduck, Cape Barren Goose, Red-necked Avocet, Australian Spotted Crake, Buff-banded Rail, Blue-winged Parrot, Striated Fieldwren, Horsfield's Bushlark, Horsfield's Bronze-cuckoo, Golden-headed Cisticola, Cape Barren Goose, Swamp Harrier and Black Falcon. We'll also check out the adjacent dry woodlands where we hope to pick up the last of our dry woodland specialists such as Varied Sittella, Diamond Firetail and White-winged Chough. Overnight **Parkwood Motel, Geelong** (en-suite rooms; Meals incl: B, L, D).

Day 14 (16 Nov '25): After an early breakfast in the cute coastal township of Anglesea we make our way around the spectacularly scenic Great Ocean Road, looking for birds such as Rufous Bristlebird, Southern Emu-wren, Gang-gang Cockatoo, Yellow-tailed Black-cockatoo, Satin Bowerbird, Blue-winged Parrot, King Parrot, Olive Whistler, Tawny-crowned, Yellow-faced & Crescent Honeyeaters, Forest Raven, Fan-tailed Cuckoo, Rose Robin, Bassian Thrush, Grey Goshawk, Brush Bronzewing, Black-faced Cormorant, Hooded Plover, Striated Fieldwren, seabirds, etc. as well as Koala and Swamp Wallaby. Overnight **Melbourne Best Western Motel** (en-suite motel room; Meals included: B, L, D). [Tour ends.](#)

Participants continuing on our Tasmania extension will fly to Hobart, Tas tomorrow, 17 November. **You can link this tour seamlessly with our Tasmania tour, and receive an instant return-client discount!**

Pre- and post-tour options:

From **30 Oct – 2 Nov 2025**, we offer an optional pre-tour excursion to **Kangaroo Island**. Just off the Adelaide coast, the large island harbours a unique, diverse wildlife, specialised birds, striking scenery and vast wilderness. Key birds include the endangered Glossy Black Cockatoo, colonies of Fairy Penguin, Hooded Plover, Cape Barren Goose, the elusive Western Whipbird and the rare Fairy Penguin as well as many sea and land birds. Cost of this 4 day trip is AU\$3199 per person (all-inclusive). Read more about it here: www.bellbirdtours.com/kangaroo-island/

The optional extension to **Tasmania** commences with breakfast the morning of **17 November** in Melbourne. You will then make your own way to the airport for your flight (not included in price) to Hobart, Tas. For details, visit <http://www.bellbirdtours.com/tours/tasmania/>

You need to book your own flight, but we can arrange accommodation before or after the tour(s). Please contact us to discuss your options.

Price inclusions and exclusions:

Included: All meals commencing with dinner on Day 0 and finishing with breakfast on Day 15, morning tea/coffee, some snacks, some fruit, some drinks, unlimited drinking water refills. Accommodation in private en-suite rooms where available. Transport using comfortable and reliable vehicle, Expert guiding, any entry fees, taxes.

Excluded: Travel to & from departure and finish points, Pre- & post trip accommodation, any meals before dinner on Day 0 and after breakfast on Day 15, drinks except where provided, personal expenses, tips, insurance.

Bookings: Please book online: <https://www.bellbirdtours.com/bookings/> - see the last page of this brochure. We can also arrange your pre- and post-trip accommodation– just contact us.

Disclaimers: (1) itinerary may be modified slightly due to factors such as availability of accommodation, updated information on the state of accommodation, roads, or birding sites, the discretion of the guides and other factors; (2) until we've received your final payment, tour price may be subject to adjustment in the event of significant cost increases in ground arrangements. See our [terms and conditions](#).

Steps to book this tour:

Step 1: Essential reading

- Download, save and read the itinerary (this document)
- Read our [terms and conditions](https://www.bellbirdtours.com/terms-and-conditions) and the [release of liability waiver](https://www.bellbirdtours.com/terms-and-conditions) (both can be found on <https://www.bellbirdtours.com/terms-and-conditions>).
- Read our [health & safety information](https://bellbirdtours.com/health-and-safety/) page (<https://bellbirdtours.com/health-and-safety/>)

Step 2: Online booking

Head over to our secure online booking page: <https://www.bellbirdtours.com/bookings>.

Step 3: Pay the deposit

To secure your seat, a deposit of 20% of the tour price is required at the time of booking. Full payment is due 60 days prior to the departure date. Until full payment has been received, Bellbird Tours reserves the right to change the tour price (eg due to changing fuel prices). Payment options:

Domestic electronic funds transfer: please send funds to the following bank account:

- bank: Australia & New Zealand Bank (ANZ), 112 Rundle Mall, Adelaide SA 5000
- account name: Bellbird Tours Pty Ltd
- Branch No. (BSB) 015-140 Account No. 206136528
 - Please use your *surname* as the booking reference.

Visa, Mastercard & Google Pay: through Pin Payments (an easy, secure online payment system). They charge us a fee of ~3%, which we pass on to you. Please contact us to use this option, and we'll email you a secure payment link.

International electronic funds transfer: please send funds in Australian Dollars (+ bank charges or AU\$20 bank transaction fee, see notes below) to the following bank account:

- international swift code: anzbau3m (no IBAN codes are used in Australia)
- bank: Australia & New Zealand Bank (ANZ), 112 Rundle Mall, Adelaide SA 5000
- account name: Bellbird Tours Pty Ltd
- Branch No. (BSB) 015-140 Account No. 206136528
 - If possible, please use your *surname* as the booking reference.
 - If you are asked to provide our physical address, this is: 101 Chilton Road, Berri, SA 5343, Australia.
 - Please specify AU\$ as the recipient's currency, and the correct amount. Select the option for you to incur any charges at *both* ends; if no such option exists, please add AU\$20 to cover the bank fee at the recipient's end.

Any discrepancy between the amount payable and amount received will be added to the final balance, or payable in cash at the start of the tour. Prices and fees are not negotiable.

Step 4: You're done!

Sit back and wait for your booking confirmation to arrive (24-48 hrs). Meanwhile, should you have any questions, please contact us via: <https://www.bellbirdtours.com/about-us/>.
