

COLOMBIA BIRDING TOUR

Bellbird Birding Tours

18 Days. 04-21 March, 2026

About this trip

The richest country on earth for birders: more than 1,900 species have been seen in Colombia! With so many species to see and such a wide variety of habitats to include, this tour is the perfect way to start your South American birding journey. We start in Colombia's famous coffee region with its cloud forests, paramo and wetlands. Dry forests and mangroves will have us searching for tanagers and raptors before wrapping up in the Pacific region with rainforests and pristine beaches where we'll be aiming to find birds such as the gorgeous Golden-headed Quetzal and Golden-winged Manakin. This comfortable tour strikes the perfect balance between time in the field and driving; while maximising the species list and providing plenty of great photo opportunities. Colombia nowadays is a thriving country where birding tourism is welcomed with open arms.

We will have the chance to see some of the most highly sought-after birds on the planet including antpittas, toucans, tanagers, hummingbirds, barbets, trogons and the amazing Cock-of-the-rock, the unique Toucan Barbet, the unmistakable Horned Screamer and many more.

From watching birds at the feeders in the gardens of our comfortable lodges, to birding in the local mountains and lowlands, this popular tour will enable us to see a superb range of endemics as well as many other Neotropical species.

From the megadiverse rainforests where we walk forest trails in search of army ant swarms, and their attendant birds; to the ultra-scenic Andean cloud forest and paramo, followed by boat trips in the coastal wetlands and mangroves: by combining these very different areas we will experience some of the best the region has to offer.

Dates for this exciting new small-group tour are March 04 – 21, 2026. Price is US\$8,899. Tour starts & finishes in Bogota.

Coffee Region, Cauca Valley and Bogotá in Colombia

Trip overview

What's included

✓	Transportation	
✓	Lodging	Double or twin-share occupancy.
✓	Meals	From lunch on day 01 to breakfast on day 17

✗	Medical expenses	Which are not covered by our travel insurance
✗	Alcoholic beverages	
✗	Activities	Which are not specified in the itinerary
✗	Trip extensions	
✗	Tips	

Tour details at a glance

Tour starts & finishes: Bogota, Colombia

Scheduled departure and return dates: Tour commences in the afternoon of 4 March 2026 and finishes after breakfast on 22 March 2026. See daily itinerary for further details.

Tour Leader: Michael Greenshields & Julián Mondragón

Difficulty: Low/Medium/High/Excellent level of fitness required. This tour has a relaxed pace and walks are mostly on marked trails and may include some very short climbs. We generally walk slowly, with lots of stops. You can opt out of any challenging walks. You can opt out of any challenging activities if you like.

What to bring: Please travel light. Binoculars, camera, mobile phone, chargers, power adaptors (2-pin European style), strong insect repellent, sunscreen, personal medications, hat, rain poncho, travel umbrella, water bottle, hand sanitizer. Scopes, super-telephoto lenses that can only be used with tripods, and heavy suitcases are discouraged.

Clothing: Sturdy footwear recommended. Lightweight long pants, t-shirt and long-sleeved shirt, over the top of which you can wear layers that can be taken off as necessary, including a rain-proof jacket. Quick-drying clothing for certain areas; warm clothes for the highlands. Neat casual attire for dinners. Shorts and sandals or thongs (flip-flops) acceptable for non-birding time.

Group size: Minimum 4, maximum 7 participants.

Cost: US\$8,899 per person including 2 domestic flights, transport & guiding during the tour, all meals, entry fees, accommodation based on double or twin-share occupancy. Single occupancy surcharge of \$690. Not included: international flights, laundry, drinks, activities or entry fees not stipulated in the itinerary, medical & other personal expenses, tips. Earlybird discount of \$99 for bookings received up to 12 months before departure date. Return-client discount may apply.

Bellbird

BIRDING TOURS

Itinerary

March 04 Arrival in Bogotá – Welcome to Colombia

Upon your arrival at El Dorado International Airport (BOG) in Bogotá, the Bellbird team, consisting of one of our drivers and a professional birding guide, will be ready to welcome you to Colombia. From the airport, you will be transferred to Hotel Habitel Select, located just a few minutes away.

Upon arrival at Hotel Habitel Select, you will enjoy a delicious lunch. Our guide will provide an introduction to the tour, outlining the locations you will visit and the bird species you may encounter, keeping in mind that sightings depend on nature's generosity. In the evening, you will dine and stay overnight at the hotel, allowing you to rest and prepare for the exciting days ahead.

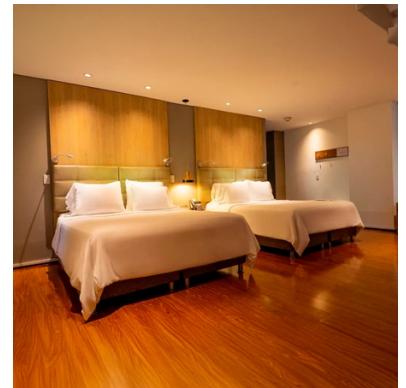

Hotel Habitel Select: <https://www.habitelhotels.com/en/hotel-habitel-select-in-bogota/>

March 05 Journey to the Coffee Region: From Bogotá to Manizales

Early in the morning, you will depart from Hotel Habitel Select and head directly to El Dorado International Airport to catch your flight to Pereira, in Colombia's renowned coffee region. Upon arrival, our driver will be waiting to welcome you and begin the journey to Manizales, the central hub of our tour in the coffee region. You will be staying at Hotel Quo Quality.

Hotel Quo Quality: <https://quo.com.co/>

Itinerary

March 06 Exploring Rio Blanco Nature Reserve

Your day begins early with a departure from Hotel Quo Quality to the Rio Blanco Nature Reserve, a short 20-minute drive away. Located just 3 km from Manizales, Rio Blanco is an ideal spot for bird photography, boasting 4,932 hectares of cloud forest ranging from 2,150 to 3,700 meters above sea level. This reserve plays a crucial role in conserving the water supply for Manizales' residents and has historically recorded up to 517 bird species.

During your visit, you will explore ecological trails equipped with bird feeders attracting antpittas such as *Grallaria milleri*, *Grallaria rufocinerea*, and *Grallaria ruficapilla*. Breakfast and lunch will be enjoyed within the reserve, providing ample opportunities for photography amidst stunning natural backdrops. In the afternoon, you will return to Hotel Quo Quality in Manizales for dinner and overnight stay.

March 07 Hacienda El Bosque – A Birdwatcher's Paradise

On this exciting day, you will embark early in the morning from Hotel Quo Quality to Hacienda El Bosque, one of the premier birding sites in Colombia's coffee region. Here, you'll have the opportunity to spotting stunning species, including the *Grallaricula lineifrons*, *Ensifera ensifera*, *Buthraupis montana*, and many more, with a remarkable record of up to 314 bird species documented in this area.

Breakfast and lunch will be served at Hacienda El Bosque, allowing you to savor the local flavors while surrounded by breathtaking scenery. In the afternoon, you'll return to Hotel Quo Quality for dinner and overnight stay.

Hacienda El Bosque eBird Hotspot: <https://ebird.org/hotspot/L7816358>

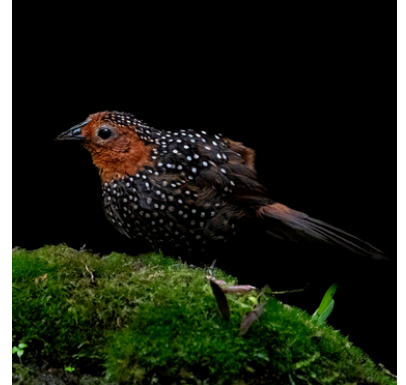

Itinerary

March 08 Bird Photography at Glamping El Color de mis Rêves

Early in the morning, you will depart from Manizales to visit Glamping El Color de mis Rêves, located in Villamaría, Caldas. This unique glamping site offers an exceptional bird photography experience, with more than 90 bird species thriving in its serene forest ecosystem. Visitors can immerse themselves in nature and capture stunning images of vibrant birdlife.

In the afternoon, you will return to Hotel Quo Quality for an evening of rest and relaxation.

Glamping El Color de mi Revés eBird Hotspot: <https://ebird.org/hotspot/L22389851>

March 09 Birding in Laguna Negra and Brisas Zone (Los Nevados National Park)

This day will start with an early departure from Hotel Quo Quality to Los Nevados National Park, where you'll visit two key birding hotspots. The first stop will be Laguna Negra, where you can observe species such as Cinclodes excelsior, Oxyura ferruginea andina, Anas andium andium, Catamenia homochroa, and Asthenes flammulata. The second stop will be the Brisas zone, known for birds like Atlapetes pallidinucha, the stunning Oxypogon stuebelii (a highlight), Geranoaetus melanoleucus, Ochthoeca fumicolor, and Asthenes flammulata.

After birding in Los Nevados National Park, we will embark on a scenic 5-hour journey to [La Araucana Lodge](#) in the Valle del Cauca, where we will enjoy dinner and rest for the evening.

Laguna Negra eBird Hotspot: <https://ebird.org/hotspot/L4979884/bird-list>

Brisas Sector eBird Hotspot: <https://ebird.org/hotspot/L5069164>

Itinerary

March 10 La Florida and Bosque de Niebla – A Photographic Adventure

On this day, you will depart early from La Araucana Lodge to visit La Florida, one of the premier bird photography locations in the Cauca Valley. Here, you will have the opportunity to photograph special birds, including the endemic *Chlorochrysa nitidissima*, as well as unique species like *Saltator atripennis*, *Crypturellus soui*, *Atlapetes albinucha*, *Chalcothraupis ruficervix*, *Zentrygon frenata*, *Odontophorus hyperythrus*, *Eubucco bourcierii*, and *Tangara xanthocephala*. More than 360 bird species have been recorded at La Florida, and you will enjoy breakfast during your visit.

Afterward, you will head to Bosque de Niebla Birding and Nature for lunch. This location provides excellent opportunities to photograph hummingbirds in optimal lighting and background conditions. Species you may encounter include *Coeligena coeligena*, *Ocreatus underwoodii*, *Heliodoxa rubinoides*, *Uranomitra franciae*, and other birds such as *Tangara nigroviridis*, *Masius chrysopterus*, *Cyanocorax yncas*, and many more.

In the afternoon, you will return to La Araucana Lodge for dinner and relaxation after a fulfilling day of birdwatching.

La Florida eBird Hotspot: <https://ebird.org/hotspot/L10440585>

Bosque de Niebla Birding and Nature eBird Hotspot: <https://ebird.org/hotspot/L7827417>

March 11 Exploring the Cloud Forest: Birding in San Antonio & Km 18

On this day, you will visit the San Antonio Cloud Forest, home to an impressive 358 recorded bird species. Birdwatching will take place along the roadside, allowing you to observe a variety of species in their natural habitat.

Later, you will return to Kilometer 18, but this time focusing on birding along the road rather than at feeders. This approach will provide the opportunity to spot more elusive and different species from the previous day.

In the afternoon, you will return to La Araucana Lodge for a well-deserved rest.

San Antonio Cloud Forest eBird Hotspot: <https://ebird.org/hotspot/L465406>

Kilometer 18 Cloud Forest eBird Hotspot: <https://ebird.org/hotspot/L2737290>

Itinerary

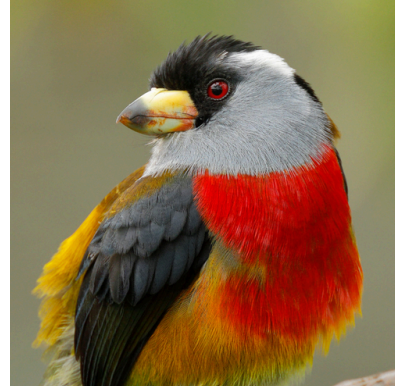

March 12 Birdwatching at Finca Doña Dora

The day begins early with a departure from La Araucana Lodge to Finca Doña Dora, located in El Queremal. This site is a favorite among local and international birders, thanks to its large ficus tree that attracts numerous bird species when fruiting. At Finca Doña Dora, you can observe a wide range of birds, from tanagers and toucanets to Torrent Ducks and the Barred Hawk.

We will depart from La Araucana before dawn, allowing us to arrive in time to begin the descent to the hide at 5:00 a.m. This walk takes us through the forest along a well-marked and adapted trail. As the sun begins to rise, we will reach the hide, where we can observe the **Andean Cock-of-the-Rock** from just one or two meters away. After this incredible experience, we will return to the main house for breakfast and continue birdwatching as various species visit the feeders.

The finca also tells an inspiring story of perseverance and dedication, featuring stunning bird murals painted by tourism agencies and international birders. After a day filled with birdwatching, you will be transferred to [La Huerta Hotel](#), located in Calima.

Finca Doña Dora eBird Hotspot: <https://ebird.org/hotspot/L4375590>

March 13 Birdwatching in Yotoco Forest Reserve

Your day begins early with a departure from Hotel La Huerta to the Yotoco Forest Reserve, a protected area managed by the National University of Colombia since 1959. Spanning 559 hectares, Yotoco boasts one of Colombia's highest biodiversities, home to over 350 bird species, including the Cauca Guan, as well as howler monkeys, armadillos, various orchids, and more. This reserve serves as a research hub for scientists, researchers, educators, and students alike.

After a morning of birdwatching, you will return to Hotel La Huerta for lunch. The afternoon offers flexibility—you can choose to continue exploring the hotel's trails in search of more birds, relax, organize your photos, or back up your photographs. Dinner and overnight accommodations will again be at Hotel La Huerta.

Yotoco Reserve eBird Hotspot: <https://ebird.org/hotspot/L465354>

Itinerary

March 14 Exploring the Río Bravo Reserve

After a restful night at La Huerta Hotel, you will head out to the Río Bravo Reserve, a critical conservation area that hosts 522 bird species, including endangered ones such as the Crested Eagle (*Spizaetus isidori*) and the Guacharaca (*Penelope ortonii*). The reserve's rich ecosystems are also home to 105 mammal species, 56 amphibian species, and 59 reptile species, many of which are also at risk.

During your visit, you will have the opportunity to observe an impressive array of birdlife in one of Colombia's most ecologically diverse regions. After the excursion, you will return to Hotel La Huerta for lunch. The afternoon is free for you to relax or continue birdwatching on the hotel's grounds. Dinner and accommodations will be provided at La Huerta once again.

Río Bravo Reserve eBird Hotspot: <https://ebird.org/hotspot/L5588872>

March 15 Discovering Laguna de Sonso – A Wetland Paradise

Today, you will depart from Hotel La Huerta and head towards the Laguna de Sonso, approximately a 35-minute drive away. Here, you will have breakfast and lunch at the Horned Screamer Research Center. The Sonso Lagoon is the main wetland in the Cauca River floodplain and is renowned for its high concentration of resident and migratory birds, including species such as the Horned Screamer.

The terrestrial exploration of the lagoon will allow you to observe a variety of wetland and shoreline bird species in their natural habitat. The Sonso Lagoon also serves as a regulatory basin for the Cauca River's floods and is the last substantial remnant of the native lagoon ecosystem in the Valle del Cauca, supporting various local communities.

After your morning of birdwatching, you will return to Hotel La Huerta.

Sonso Lagoon eBird Hotspot: <https://ebird.org/hotspot/L465353>

Itinerary

March 16 Transition to Bogotá: From Cali to the Next Adventure

On this day, you will travel from La Huerta Hotel directly to Alfonso Bonilla Aragón Airport in Cali to catch your connecting flight to Bogotá, where your tour will continue. Upon arrival in Bogotá, accompanied by our guide, another driver will be waiting to take you back to Hotel Habitel Select. There, you will have time to rest and prepare for the next day's adventures.

Hotel Habitel Select: <https://www.habitelhotels.com/en/hotel-habitel-select-in-bogota/>

March 17 Hummingbird Photography at Observatorio de Colibríes

Early in the morning, you will depart from the hotel to visit the Observatorio de Colibríes in La Calera, a prime location for hummingbird observation and photography. Here, you will have the chance to see and capture stunning species such as the Blue-throated Starfrontlet (*Coeligena helianthea*) and the Black-tailed Trainbearer (*Lesbia victoriae*). With up to 230 bird species recorded in this area, it promises a remarkable birding experience.

In the afternoon, you will return to Hotel Habitel Select to rest and prepare for the next day's activities.

Observatorio de Colibries, La Calera eBird Hotspot: <https://ebird.org/hotspot/L3892139>

Itinerary

March 18 La Florida Wetland: Exploring Bogotá's Avian Treasures

On this day, you will visit La Florida Wetland, located near Bogotá's airport, a prime birding site where up to 398 species have been recorded. Here, you will have the opportunity to observe fascinating birds, including the Yellow-hooded Blackbird (*Chrysomus icterocephalus bogotensis*), a Bogotá-endemic subspecies.

In the afternoon, you will return to Hotel Habitel Select to rest and prepare for the next day's adventures.

La Florida Wetland eBird Hotspot: <https://ebird.org/hotspot/L656882>

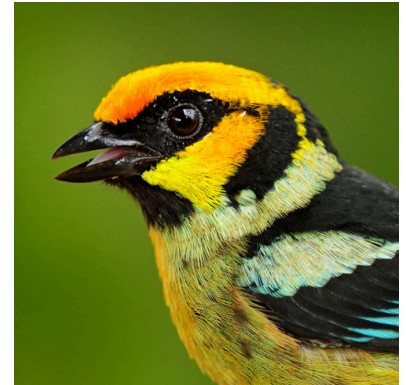

March 19 Birding Expedition to Parque Verde y Agua

On this day, you will travel two hours from Hotel Habitel Select to Parque Verde y Agua, a birding hotspot where more than 300 species have been recorded. The highlight of the day will undoubtedly be the stunning Flame-faced Tanager (*Tangara parzudakii*), a true showstopper among the region's vibrant birdlife.

In the afternoon, you will return to Hotel Habitel Select to rest and recharge for the next adventure.

Parque Verde y Agua eBird Hotspot: <https://ebird.org/hotspot/L7323064>

Itinerary

March 20 Birding & Photography in Bosque La Guajira

On this day, we will travel early in the morning to Bosque La Guajira Nature Reserve, located in the páramo ecosystem near Guasca, about two hours from Bogotá. This private high-Andean forest reserve is a hidden gem for birders and photographers, offering tranquil trails and excellent views of several endemic and near-endemic species.

Target species include the Brown-breasted Parakeet (*Pyrrhura calliptera*), Silvery-throated Spinetail (*Synallaxis subpudica*), Blue-throated Starfrontlet, Matorral Tapaculo, Golden-faced Whitestart, Coppery-bellied Puffleg, Black-billed Mountain Toucan, and many more.

Hummingbird enthusiasts will enjoy species such as Sword-billed Hummingbird, Amethyst-throated Sunangel, Speckled Hummingbird, Great Sapphirewing, Mountain Velvetbreast, Tyrian Metaltail, Glowing Puffleg, and both Sparkling and Lesser Violetear.

We will spend the full day birding and photographing in this magical location until around 5:00 p.m., before returning to the hotel in Bogotá.

Bosque La Guajira eBird Hotspot: <https://ebird.org/hotspot/L4221043>

Itinerary

March 21 Final Birding Stop: El Paramuno Trail & Departure

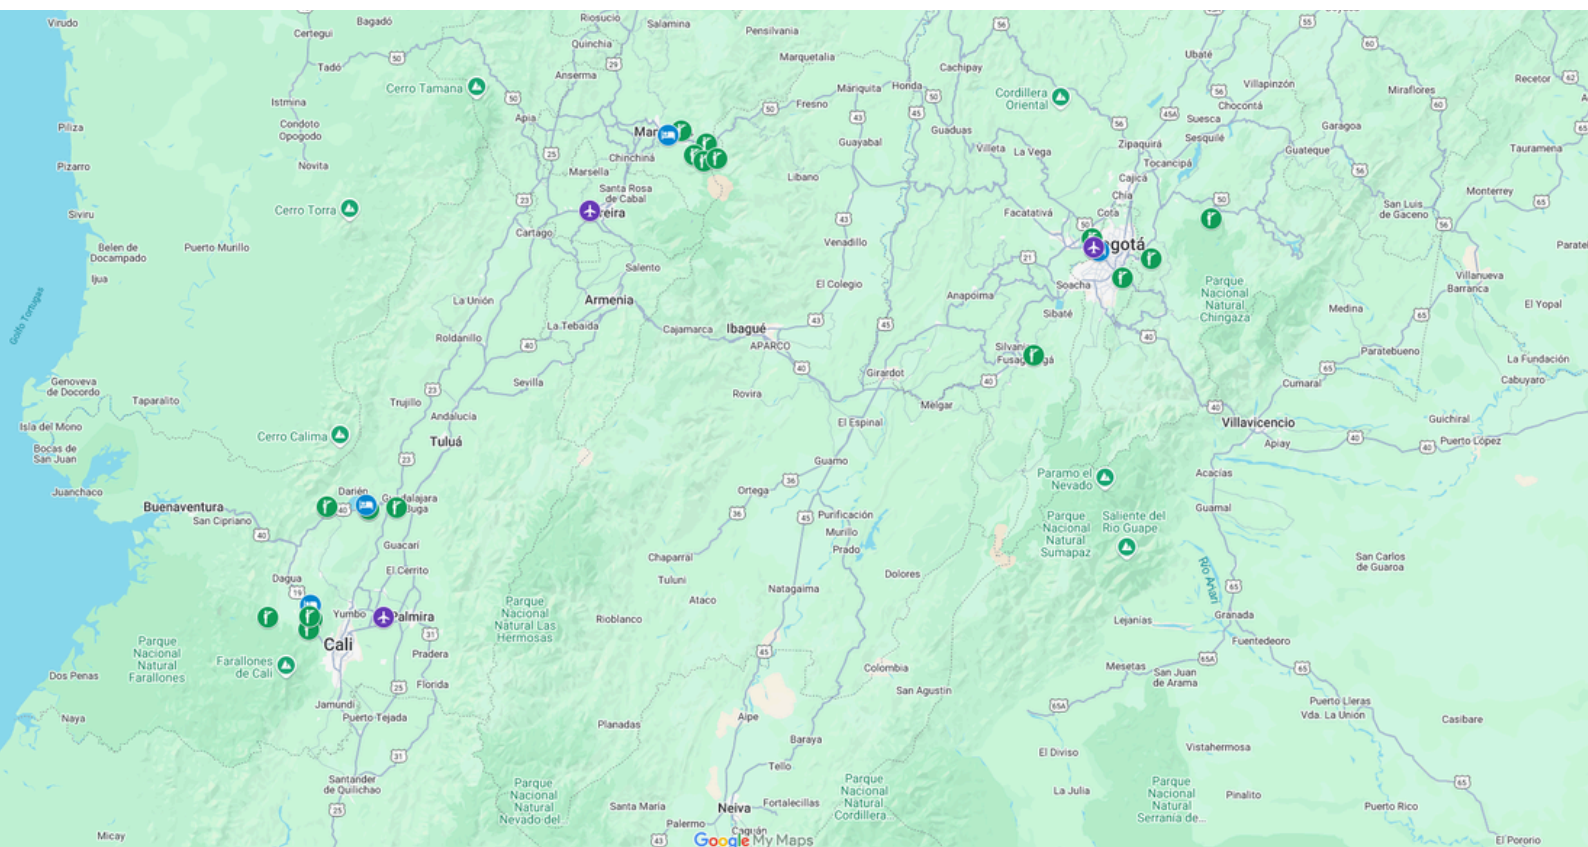

For our final morning, we will enjoy a birding and photography session at El Paramuno Trail, located at the iconic Monserrate Hill. This site offers scenic city views and access to highland species such as the Blue-backed Conebill (*Conirostrum sitticolor*), Golden-bellied Starfrontlet (*Coeligena bonapartei*), and Buff-breasted Mountain Tanager (*Dubusia taeniata*).

This short but productive morning session will conclude around midday, followed by direct transfer to **El Dorado International Airport (BOG)** for international departures.

We truly thank you for joining us on this incredible birding journey through Colombia. It has been a pleasure to share these unforgettable moments, and we look forward to welcoming you again in the future!

El Paramuno Trail eBird Hotspot: <https://ebird.org/hotspot/L1335070>

Steps to book this tour

Step 1: Essential reading

- Download, save and read the itinerary (this document)
- Read our [terms and conditions](https://www.bellbirdtours.com/terms-and-conditions) and the [release of liability waiver](https://www.bellbirdtours.com/terms-and-conditions) (both can be found on <https://www.bellbirdtours.com/terms-and-conditions>).
- Read our [health & safety information](https://www.bellbirdtours.com/health-and-safety/) page (<https://www.bellbirdtours.com/health-and-safety/>)

Step 2: Online booking

Head over to our secure online booking page: <https://www.bellbirdtours.com/bookings>. (Should you prefer a paper booking form, this can be downloaded from there).

Step 3: Pay the deposit

To secure your seat, a deposit of 20% of the tour price is required at the time of booking. Full payment is due 60 days prior to the departure date. Until full payment has been received, Bellbird Tours reserves the right to change the tour price (eg due to changing fuel prices). Payment options:

■ Visa, Mastercard & Google Pay: through Pin Payments (an easy, secure online payment system). They add a processing fee of ~3.5%. Please contact us to use this option, and we'll email you a secure payment link.

■ International electronic funds transfer: please send funds in US Dollars (+ bank charges at your end) to the following bank account:

- For payments from outside the USA please use international swift/bic code: CMFGUS33
- For payments from inside the USA please use ACH and Wire routing number 026073150
- Checking account name: Bellbird Tours Pty Ltd
- Account no. 8313528314
- Bank address: Community Federal Savings bank, 30 W. 26th Street, Sixth Floor, New York NY 10010, USA

- If possible, please use your surname as the booking reference.

- If you are asked to provide our physical address, this is: 101 Chilton Road, Berri, SA 5343, Australia.

- Please specify US\$ as the recipient's currency, and the correct amount. Select the option for you to incur any charges at both ends; if no such option exists, please add US\$15 to cover the bank fee at the recipient's end.

Any discrepancy between the amount payable and amount received will be added to the final balance, or payable in cash at the start of the tour. Prices and fees are not negotiable.

We can only receive USD from these countries outside the US: Australia, Austria, Belgium, Bulgaria, British Virgin Islands, Canada, China, Croatia, Czech Republic, Denmark, Estonia, Finland, France, Germany, Gibraltar, Guernsey, Greece, Hong Kong, Hungary, Iceland, India, Ireland, Isle of Man, Italy, Japan, Jersey, Latvia, Liechtenstein, Luxembourg, Malta, Netherlands, New Zealand, Norway, Philippines, Poland, Portugal, Romania, Singapore, Slovakia, Slovenia, Spain, Sweden, Switzerland, Taiwan, UK, and United Arab Emirates.

Step 4: You're done!

Sit back and wait for your booking confirmation to arrive (24-48 hrs). Meanwhile, should you have any questions, please contact us via: <https://www.bellbirdtours.com/about-us/>.
